" for my Kindle and I was captivated with it.Andrew's writing style is amazing, I could really see the characters through my inner eye. The stories are very thoughtful and conclusive. One story leads into the other and at the end you get a wonderful series. Thank you Andrew

for another wonderful, lovely series.

Kurzbeschreibung Seven months ago, Len Parker lost his partner of more than twenty years, and he isn't sure how to feel about his blossoming attraction to Chris, one of his farmhands. Hesitant and still hurt, Len remains aloof and distant until he's goaded into teaching Chris to ride. Fresh out of a thirty-year career with the Marines, Chris can explore his sexuality openly for the first time in his life, but what he needs more than anything is peace. He's convinced Len doesn't like him until he digs a little deeper, and then, armed with hope, Chris sets out to prove that love can provide the healing he and Len so desperately need.
