Von Andrew Grey : Love Means... No Shame (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Love Means... No Shame (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Rather flat story.. Von amygdala 3 stars, at best. Story and its message are nice/OK -- "Love conquers it all!" plus "No one needs to feel ashamed about loving and caring for another human being." That is, of course, very true and one can just hope, that all these ignorant and intolerant people out there will figure this out rather sooner than later. But all in all:

Nothing new here, the book and the story were just OK, but what bothered me (besides from this story not being very original, new and inventive) was that the writing style often seemed, well, quite simple. Sometimes it feels like reading an (school-)essay written by a teenager. Furthermore, the characters are two-dimensional, if not even one-dimensional. The "great" problem/"twist" at the end which was supposed to be so tragic and hurtful didn't convince me at all. And I actually laughed about the "resolve". Very convenient and easy. At some point, I didn't even care anymore if the characters would end up together and live happily ever after or if they would die a miserable death... [I know, I'm a bit harsh today ;)] In my opinion, Andrew Grey is not the most talented author there is. But maybe, that's just me... hm. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Captivated... Von edo45 I bought the whole series "Love means....." for my Kindle and I was captivated with it. Andrew's writing style is amazing, I could really see the characters through my inner eye. The stories are very thoughtful and conclusive. One story leads into the other and at the end you get a wonderful series. Thank you Andrew for another wonderful, lovely series.
