Captivated...Von edo45I bought the whole series "Love means..... " for my Kindle and I was captivated with it.Andrew's writing style is amazing, I could really see the characters through my inner eye. The stories are very thoughtful and conclusive. One story leads into the other and at the end you get a wonderful series. Thank you Andrew

for another wonderful, lovely series.

KurzbeschreibungA Love Means... Story Eli Henninger is stretched a little thin. He teaches riding classes, conducts therapy sessions, takes care of his son, and helps manage the family farm. Hes tired and overworked, especially because lately, no one else seems to do anything right. He and his partner, Geoff, havent have time together in so long, hes beginning to forget what his longtime love feels like. Geoff is just as busy with the farm, the business, and working through a complicated land purchase. He and Eli labor from sunup to sundown and then some. He knows taking care of their responsibilities is preventing them from taking care of each other, but he doesnt see anything he can do about it. To make matters worse, theyre accused of behaving improperly toward some of the children in their riding programs. Then Eli becomes ill and the investigators suspect foul play, forcing Geoff to reevaluate his priorities and hope fate will give them another chance.
