Von Earlene Fowler : Love Mercy before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Mercy:

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. very good writingVon Chris in Mannheim"Love Mercy" is written in a more complex style than the Benni Harper books,

but still focuses on small town life, the same town San Celina. Benni and her husband Gabe make an appearance, as do several others from the Benni Harper series. Timewise "Love Mercy" is set much later, so we get a glimpse in the future of the Harper family. There is no murder, the problems the characters have to deal with are everyday problems, trouble between the generations, problems with getting old, accepting responsibility. I thoroughly enjoyed reading it.

Kurzbeschreibung National bestselling author of the Benni Harper mysteries *Widow Love Mercy* Johnson still listens for her husband's comforting laugh, but with her friend's help, she's trying to move on. Then her 18-year-old estranged granddaughter shows up, forcing them both to confront old resentments. And when disaster strikes, they must discover if they can change their lives-and the lives of those they love-for the better. *Pressestimmen* "The mysteries of the human heart fill Fowler's first of a sweet new series about Love Mercy Johnson of Morro Bay, Calif.
