Want a little childish?Von high artSynopsis:Power, money, and fame spell happiness—at least in the movies.Hollywood film producer Kate Nyland has it all, including her gorgeous movie star girlfriend, Hannah Corrant. Amid the excitement of shooting multimillion-dollar movies and being photographed by the ever-present paparazzi out to get a glimpse of

Hannah, Kate is reminded continually that her life couldn't be better. That is, until she arrives in Florida to begin shooting her next film. There she meets Dawn Brock, a beautiful, deeply spiritual artist, who sets off sparks that Kate cannot allow to ignite. But just how can she quell the attraction that burns so intensely and the growing connection that seems impossibly unavoidable? And what will happen when Hannah arrives in town for the movie shoot? From behind-the-scenes rendezvous to center-stage passions, Kate discovers that love on location doesn't always follow the script.-----This book just didn't click with me, which is weird cause the whole story about the movie business should be something that interests me...but it was the way this story plays out that ruined it. I had the feeling that the characters are bad against evil...no shades of gray. We have the self-centered actress Hannah, who treats her girlfriend bad, cheats on her and then there is her girlfriend Kate, the famous producer who is so very good, yet still spends a year in such an unsatisfying relationship? Really? Well, in walks Dawn the artists who also is just plain good. Kate and her fall in love and it must have taken about 200 pages before any action between the two of them happened. They felt connected for about 150 pages already though. So, in no time Kate leaves Hannah, gets close to Dawn, Hannah is jealous and tells Dawn that she and Kate are getting back together and Dawn leaves Kate. HOLY MOLY! Of course there was a happy end which didn't help me feel better about having wasted precious hours of my life with this book. I am not sure if I am willing to read other books by this other...I like to be touched and this book just was so darn meaningless. (To me).
