KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An interesting leading man!Von Denise D C P GomesThe author has an eye for detail. I loved the cultural mix...Latin, European and American. The leading lady was sweet, yet tough and determined and really goes after what she wants. The only thing that could have made the book a bit more interesting was not to leave all the action until the end. Overall, however, I found it great.0 von 0 Kunden fanden die folgende Rezension hilfreich. hi mindy from shannonVon Ein Kundethis book was outstanding you have to bye it! very nice work.
