Von Brinda Berry : The Waiting Booth (Whispering Woods Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Waiting Booth (Whispering Woods Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent! Von Catherine Cavendish Thoroughly enjoyed this new novel by Brinda Berry. The main character, Mia, is on a quest to find her missing brother and finds herself in all sorts of trouble when she discovers a portal to an

alternate reality. This is a pacy, multi-layered novel and Mia is just the sort of girl you would want as a friend - feisty, fun and, at the same time, sensitive. The story is told through her eyes and her voice carries you through the twists and turns and suspense. I'm saying no more about the plot as I don't want to give anything away. This is the first in a new series called 'Whispering Woods' and I am looking forward to the next instalment. Aimed at the YA market, this is a winner. Highly recommended
