Von Jane Fletcher : The Walls of Westernfort (The Celaeno Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Walls of Westernfort (The Celaeno Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. More of the World of Celaeno in top-notch story telling qualityVon PhilologusThis is another tale of the World of Celaeno, a medieval world where only women have survived after colonization. Fletcher manages time and again to paint a utterly realistic female-only-world this time concentrating on the force of brainwashing in the name of religion. This sounds heavy duty but Fletcher does the trick of creating an entertaining read full of humour and warmheartedness despite that the women are just human beings with all the failures of humanity. If you like good SF/Fantasy this is something to enjoy
