Von T.R. Harris : The War of Pawns: (The Human Chronicles Saga -- Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The War of Pawns: (The Human Chronicles Saga -- Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Nice with flawsVon A.F.H. TintenkriegerWar of Pawns is a refreshingly political-uncorrect military science fiction novel.Very fast paced action as in the first two parts of this series lets the reader enjoy this sometimes absurd window into a possible future.Our protagonist rambles through the galaxy killing everything that as much as looks at him challengingly and is still sold to be our "hero" .Yes, there are things which wouldnt stand any scrutiny in regards to physical reality. Just because humans are heavy worlders in regards to other species we still wouldnt manage to bend

metal bars of prison cells. Smithed metal is still smithed metal, no matter where in the galaxy you smith it. But these are there to build on the storyline and should be enjoyed like you would enjoy a movie from Monty Python. And then there's - for non U.S. readers - some hard to swallow American patriotism. That's pretty much the only thing I found really annoying. The self-centered American view on the world that is regularly repeated in so many novels isn't a sign for good writing. Just for navel-viewing and lack of imagination. Sad highlight the comments of the American president in the book regarding the squabbling around who leads the Earth forces. Hypocrisy at its best which shows some real lack on the author's side. All being said it's still a fun-read. Just pretend you are an ex-Navy American and you will have a blast reading this. Will definitely also buy the fourth installment since I want to know how the Klin-Juirean-Human war goes on. 0 von 0 Kunden fanden die folgende Rezension hilfreich. its ok Von Beansit get's a little predictable, but it's an entertaining enough read I guess. I am still left wanting to know how the story ends so it must be ok ;-)

Kurzbeschreibung From international bestselling science fiction author T.R. Harris comes BOOK #3 in his Epic saga of Human Superiority throughout the galaxy: The Human Chronicles Saga - Series 1: Genesis Book 3: The War of Pawns Adam Cain ... The Alien with an Attitude is back! In the third book of Series 1: Genesis of The Human Chronicles Saga, ex-Navy SEAL Adam Cain--a Human lost in a galaxy of alien empires--fights desperately to return to Earth, only to find that his homecoming is anything but joyous. In the aftermath of a devastating attack on the Earth, Adam learns that the Humans have been played for fools by the evil Klin race. Now he has two enemies to fight, the Juireans and the Klin. Yet as before, the aliens don't realize what trouble they're in. Now they're up against an entire planet of Human Supermen! Pity their weak and fragile bodies. Adam Cain--as well as the entire Human race--is out for revenge! This Epic Space Opera Saga is reminiscent of the Golden Age of Science Fiction, full of exotic aliens, fantastic space battles, galactic empires and a goal as large as the Human spirit. Fans of Science Fiction Space Opera and Military Science Fiction have raved about the series, which includes five series so far. Fast-paced and humorous, The War of Pawns will have you laughing and fist-pumping all the way through. This is a story of scope and adventure. Don't miss Book 3 of Series 1: Genesis of The Human Chronicles Saga. The Human Chronicles Saga is a MUST-READ for all fans of pure science fiction. Pick up the entire series today ... and find out why this thrill-a-minute collection of space opera adventures has become one of the bestselling sci-fi series on five years running. Be sure to check out all the novels by T.R. Harris... The Human Chronicles Saga Series 1: Genesis The Fringe Worlds Alien Assassin The War of Pawns The Tactics of Revenge The Legend of Earth Series 2: I Come From Earth Cain's Crusaders The Apex Predator A Galaxy to Conquer The Masters of War Series 3: The Sol-Kor War Prelude to War The Unreachable Stars When Earth Reigned Supreme A Clash of Aliens Battlelines Series 4: Revenge Redemption The Copernicus Deception Scorched Earth Series 5: Alien Games Alien Games The Cain Legacy The Andromeda Mission Jason King: Agent to the Stars Series The Enclaves of Sylox Treasure of the Galactic Lights The Drone Wars Series Day of the Drone With author George Wier The Liberation Series Captains Malicious All the books are available on .com and free for members of Kindle Unlimited.
