Eindrucksvoll und spannendVon LisaSo fesselnd, dass man die Zeit vergisst und gar nicht schnell genug vorankommt. Man wird in eine andere Welt mitgenommen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Exciting conceptVon ski!8277I think this book built up in a strange way but I have to say that the end really lived up to other reviews I have read0 von 1 Kunden fanden die folgende Rezension hilfreich. At first I actually thought...Von J... I would never be able to finish this book... It took me a few chapters to wrap my head around the characters and their world. At one point I remember that I was actually thinking about stopping to read. I am so glad I kept on reading. It turned out, that THE WARDED MAN is a page turner ;-) After I started loving the story, I couldn't put the book aside.Right after finishing this book I ordered the second book of the demon cycle and was so happy when the third book came out. Now I am waiting for the fourth to be released. It drives me crazy, to not know how the story will continue since Brett leaves so many things open at the end of his books.

KurzbeschreibungAs darkness falls after sunset, the corelings rise demons who possess supernatural powers and burn with a consuming hatred of humanity. For hundreds of years the demons have terrorized the night, slowly culling the human herd that shelters behind magical wards symbols of power whose origins are lost in myth and whose protection is terrifyingly fragile. It was not always this way. Once, men and women battled the corelings on equal terms, but those days are gone. Night by night the demons grow stronger, while human numbers dwindle under their relentless assault. Now, with hope for the future fading, three young survivors of vicious demon attacks will dare the impossible, stepping beyond the crumbling safety of the wards to risk everything in a desperate quest to regain the secrets of the past. Together, they will stand against the night.Look for Peter V. Bretts complete Demon Cycle: THE WARDED MAN | THE DESERT SPEAR | THE DAYLIGHT WAR | THE SKULL THRONE | THE CORE (Coming soon!)Pressestimmen"Brett's debut builds slowly and grimly on a classic high fantasy framework of black-and-white morality and bloodshed. Young Arlen battles demons to save his mother while his father watches in terror; when his mother dies, Arlen runs away. Leesha leaves her village to work in the city hospital of Angiers after her betrothed claims to have taken her virginity. Jongleur Arrick Sweetsong saved himself from demons at the expense of a female friend, but he honors her last request and raises her son, Rojer, as his apprentice. Only near the end do the three strands of the story begin to intertwine. With its nameless enemies that exist only to kill, Brett's gritty tale will appeal to those who tire of sympathetic villains and long for old-school orc massacres."Publishers WeeklyI enjoyed The Warded Man immensely. There is much to admire in Peter Bretts writing, and his concept is brilliant. Theres action and suspense all the way, plus he made me care about his characters and want to know whats going to happen next.Terry BrooksThe Warded Man works not only as a great adventure novel but also as a reflection on the nature of heroism.Charlaine HarrisAn absolute masterpiece . . . The novel [is] literally unputdownable, and certainly deserves to be the next Big Thing in dark fantasy.HorrorScopeA very accomplished debut fantasy, broad in its scope.SFRevu A fabulous new fantasy series . . . that is likely to become a classic. Excellent fantasy literature.The Cairns Post ,Queensland, AustraliaFrom the Hardcover edition.KurzbeschreibungAs darkness falls after sunset, the corelings rise demons who possess supernatural powers and burn with a consuming hatred of humanity.
