Von Michelle Willingham : The Warrior's Touch (MacEgan Brothers series) before purchasing it in order to
gauge whether or not it would be worth my time, and all praised The Warrior's Touch (MacEgan Brothers series):

Kurzbeschreibung Connor MacEgan is a fighter; it's in his blood. But when his hands are crushed in a brutal attack, he finds he may never wield a sword, or touch a woman, ever again. He becomes reliant on Aileen Duinne, whose determination matches his, for Aileen can no more ignore a person in pain than Connor can stop being a warrior. But she also holds a secret, one of passion and deception that could break their hearts, long after she has mended his hands...
