Von Gerri Russell : The Warrior Trainer (The Stones of Destiny Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Warrior Trainer (The Stones of Destiny Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. its readableVon Roberti would have liked some more backgroundinformations and some explanations why there are some people who can beat nerly everyone.i also think its strange that the main enemy in this book was beaten so easilyi bought the book because a friend of mine sayed i should read it(she really liked the book)i think this book is more or less for women....i've read it through but i think i wont buy the other ones(but i think thats because i don't like this kind of "lovestory")if you like this kind of story you should try this book because the writting is rather good(I apologize for the bad writting isn't my main language, if i have time i'll look over the review and correct the mistakes)

Kurzbeschreibung"Gerri Russell writes with a passionate intensity that will sweep readers straight into her richly imagined world." -- New York Times Bestselling Author Jayne Ann KrentzOverview Scotia knew her duty: protect the Stone of Destiny at all costs. It was the key to Scotland's salvation, the reason she'd become the best warrior in the world--as had the generations of women who'd guarded the Stone before her. Yet those women had never been distracted by a man like Ian MacKinnon.He'd journeyed to her castle to learn her legendary skills so he could exact vengeance against the brutal English mercenaries who'd killed his brother. On the battlefield, Ian wielded his sword with deadly precision. In the bedroom, he became a man of wild passion tempered by infinite tenderness. But soon he would be forced to move on and avenge his clan, leaving Scotia to face a conflict for which she had no training: her duty to the Stone versus her desire to follow her heart.More Praise for The Warrior Trainer"...refreshingly original." -- EastofOz, reader"Superb medieval romance."--Harriet Klausner, reviewerMore Kindle Bestsellers by Gerri RussellWarrior's Bride-A marriage of convenience is all that will protect Scotland from ruin.Warrior's Lady-Murder and mayhem can only be stopped with a magical healing stone.To Tempt a Knight-A Templar knight seeks a holy relic and finds love along the way.
