sehr spannendes Buch Von Stefferl nachdem mir mal wieder der Lesestoff ausgegangen ist und ich früher ein sehr großer Fan vom Wheel of Time war, habe ich mich daran erinnert, dass Brandon Sanderson damals die letzten Romane vom WoT mit geschrieben hat und ich seinen Schreibstil ganz gut fand. Also habe ich mich an dieses Buch gewagt und muss sagen: Jackpot. Die Story ist sehr spannend geschrieben und man kann sich sofort in die Charaktere hineinversetzen. Ich habe das Buch förmlich verschlungen und am Ende sofort den 2. Teil gekauft. Leider ist der 3. Teil noch nicht veröffentlicht, aber ich kann es kaum erwarten, auch diesen zu verschlingen und zu erfahren, wie es mit den Knights Radiance weiter geht. Empfehlen kann ich das Buch für alle Fans von Wheel of Time und Game of Thrones. Und wer den 2. Teil auch schon fertig gelesen hat und etwas zum Überbrücken bis zum 3. Teil braucht, dem empfehle ich die Buchserie Raven's Shadow von Anthony Ryan. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Brandon Sanderson - Für mich ein neuer Tolkien Von Seda Y. Ich habe schon mehrere Bücher von Sanderson gelesen und bin einfach nur begeistert. Die Art und Weise wie er schreibt ist extrem fesselnd und vor allem auf Englisch (Originalsprache) gefallen mir die Bücher noch besser. Ich kann nur sagen, dass es ihn alle Fantasy Fans lieben werden. Die Spannung ist immer hoch und es passiert auch so viele unerwartete Sachen, dass man diese Reihe nicht mehr aus der Hand legen will. 0 von 0 Kunden fanden die folgende Rezension hilfreich. part two - as good as part one Von Elke Calamia This is just as good as part one, if not even better. If you haven't started reading this series do it, it's fantastic. Just be aware, that the first 50 or so pages may be a little stressful, as many new lifeforms and historical facts are pressed into your brain which are explained only later - but this is part of the charm. Kurzbeschreibung From #1 New York Times bestselling author Brandon Sanderson, The Way of Kings, Book One of the Stormlight Archive begins an incredible new saga of epic proportion. Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called The Way of Kings. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. The result of over ten years of planning, writing, and world-building, The Way of Kings is but the opening movement of the Stormlight Archive, a bold masterpiece in the making. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The Knights Radiant must stand again.
