KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Good novelVon DianaThis is the story of a woman who dies but whose child lives on. It is a good summer read so I will not

say more except to tell you that it is a good novel and the story unfolds magnificently. It is a page turner.

**Kurzbeschreibung**An orphaned child and a tragic secret . . . the heartwarming and engrossing novel from this well-loved author. Perfect for fans of Erica James, Victoria Hislop and Santa Montefiore. It was in the middle of a snowstorm when Tiggy arrived at the remote house on Bodmin Moor. She was alone, her partner tragically dead in an accident, and Julia, her dearest friend, welcomed her into her warm and chaotic family. As winter turned to spring, and then to summer, Tiggy started to live again and await the birth of her child. But nearly thirty years later, when her son is about to become a father himself, the next generation discovers that there are secrets from the past which must be uncovered...
