Von Ein Kunde Lynda Simmons: title - The Wedding and the Little White Lie (August-Your's Truly) Steve Cooper and Eden Wells are both finalists in the contest to win an old house and one hundred thousand dollars to restore it. Steve wants the house to live in. Eden could care less about the house. She wants the money to help start her own business. The judges, however, want a "family" to win and the third finalist fits the bill. So Eden and Steve concoct a little lie of how the house brought them together, they fell in love, and they plan to marry in September in the gazebo. But even little white lies have a nasty habit of backfiring. \*\*\*Very well written!

I thoroughly enjoyed this story. IT IS A KEEPER!\*\*\*

Kurzbeschreibung "I Now Pronounce You Husband and Big Fat Liar." Y'know, it isn't like I said to myself, "Eden Wells, today you're going to fool an entire town." I just really, really, really wanted to win this beautiful old mansion, and I figured my only prayer was to get together with one of the other contestants and But I didn't realize I'd end up living with my brand-new "husband." Steve Cooper is fifty percent testosterone and one hundred percent gorgeous. And suddenly this great big house seems too darn small and too darn hot.
