Von Anne Pfeffer : The Wedding Cake Girl (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wedding Cake Girl (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolles Buch!Von LokiZum Inhalt:Hauptcharakter ist die 17jhrige Alex, die eng in das kleine Hochzeitstortenunternehmen ihrer Mutter eingebunden ist. Zwischen Teig und Glasur versucht sie, ihren eigenen Wnschen und Trumen auf die Spur zu kommen, doch ihre Mutter- hin und hergerissen zwischen tiefer Liebe zu ihrer Tochter und den eigenen

egoistischen Wnschen, ist dabei nicht gerade eine Hilfe. Und dann ist das noch Zack, ihr Jugendfreund, fr den Alex mehr als nur ein bisschen Freundschaft empfindet. Eines Tages geht sie- wider aller Vernunft und frustriert und versetzt von Zack- alleine tauchen und rettet dabei einem Mann das Leben. Einem sehr reichen Mann mit einer sehr dankbaren Familie und so kommt in Alex' Leben einiges ins Rollen...Mein Eindruck: Ich lese normalerweise keine "Frauenromane". Ich hatte das Glck, dieses eBook kostenlos zu erstehen und dachte: "Na ja, wenn mir mal langweilig ist..." Ich habe es gestern Abend in einem Rutsch durchgelesen. Die Handlung ist locker, leicht geschrieben, ohne Lngen wird die Geschichte von der Autorin flott vorwrts getrieben. Sowohl Handlung als auch Charaktere haben Tiefe und entwickeln sich im Laufe der Geschichte prima. Ein perfektes Buch fr Tage mit schlechtem Wetter und schlechter Laune. Danach geht es einem definitiv besser. Auch sonst ist es natrlich lesenswert. Das Happy End war fr mich unerwartet, aber zuckers. Fr dieses gelungene Werk Daumen hoch und 5 Sterne! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Romance in a dream setting Von Giulia An enjoyable story about growing up and finding out that chasing dreams is possible, and that not always what will make us happy is what we would have thought...

Kurzbeschreibung Seventeen-year-old Alexandra spends so much time helping others realize their dreams that she never has time for her own. An expert ocean diver and reluctant maker of wedding cakes, she longs to leave roses and frosting behind to study oceanography. Alex's mother won't have it; needy and dependent, Mom can't run the family wedding cake business on her own. No matter what Alex does, things only get worse for her. When she saves a man's life while scuba diving and becomes the local hero, Mom's angry with Alex for going diving at all. Mom discourages Alex's new friendship with Jeremy, a fun and insanely wealthy boy who happens to have a secret. Then, Alex's best friend, Zack, a hunky island guy, starts to take an interest in her as well. The problem is, he's dating another girl. As Alex struggles to learn where she stands between her two difficult and confusing Prince Charmings, it occurs to her that maybe what she really needs is a Prince Charming for Mom. If she doesn't do something fast, they'll bury her in her "Sue's Wedding Cakery" apron with a spatula in her hand. The Wedding Cake Girl features a colorful island setting, dangerous underwater diving adventures, a family of billionaires, and lots and lots of buttercream. The book is Alex's journey toward not only finding love, but learning how to step forward and take control of her own life, a rite of passage that faces all young readers.
