beautiful, sweet love story. Von Valerie Bongards Captain Jess Randall is a surgeon in the army, and right now he is stuck in Spain, and retreating from the French. Nell Mason helps out around, her mother dies in an army tent, and her father intends to marry her off to his creditor to settle his debt. Jess marries her to save her from her fate, and together, with the rest of the medicine crew, they start their retreat. Jess has loved Nell for two years, Nell has never realised, and while they are on their journey, which is dangerous, they get closer. This was a very exciting story, with a full plot. I couldn't put it down as I always wanted to find out what happened next!! The relationship between Jess and Nell is wonderfully portrayed, and the secondary characters are a lovely bunch too. Carla Kelly has penned a wonderful book, and I wish you many happy hours reading it! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Loved it! Von Bunny Rabbite And here she goes again: Carla Kelly is such a good author, I'm amazed she's not among the bestseller VIPs like Diana Gabaldon or some such. The protagonists again are so real and still - or rather because of it - they are so likable. If you love Regency but are often bored to death by it at the same time: Buy this book and try it, really do. 0 von 0 Kunden fanden die folgende Rezension hilfreich. absolut groartig Von Senzasenso absolut groartig, und nichts weniger als die 08/15 Romanze. Sie beginnt whrend der napoleonischen Kriege auf der iberischen Halbinsel. Die "Hochzeitsreise" des jungen Paares ist eine Flucht unter frchterlichen Verhlnissen. Die Scheulichkeiten des Krieges werden nicht ausgelassen, und die Charaktere sind echte Menschen: Der schchterne Held, die junge Frau, die ber sich hinauswachsen mu, und sogar deren Eltern oder all die anderen Nebenpersonen.

Kurzbeschreibung A marriage for protection in the midst of a wartime retreat becomes the passion of a lifetime in this classic Signet Regency Romance from Carla Kelly. AVAILABLE DIGITALLY FOR THE FIRST TIME Set against the vivid historical background of the Napoleonic Wars, *The Wedding Journey* is the unforgettable story of Captain Jesse Randall, assistant surgeon of Marching Hospital Number Eight, and his undying love for beautiful, young Nell Mason. A battlefield is no place to wage a campaign of love, and even if it was, Jesse is far too shy to ever confess his love to Nell, who helps the surgeons in the field hospital. Her father, Captain Bertie Mason, is a compulsive gambler, and when Nells mother dies, he desperately agrees to marry her to the despicable Major William Bones to relieve his crushing gambling debts. To prevent such a fate, Jesse hastily weds Nell. He doesnt dare hope shell ever return his devotion. A marriage on the front lines of the Napoleonic Wars would be difficult enough, but now Major Bones is out for vengeance. As the British army retreats from Burgos for Portugal, Jesse, Nell, and a handful of the sick and stragglers are left behind to fend for themselves. The newly married couple must now draw on all their strength to survive and save their small band, and somehow nurture a love that can endure the most trying of journeys Dont miss Carla Kellys other classic Signet Regency romance, *The Ladys Companion*. Pressestimmen A powerful and wonderfully perceptive author. (Mary Jo Putney) Ms. Kelly writes with a rich flavor that adds great depth of emotion to all her characterizations.
