Von Linda Needham : The Wedding Night before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wedding Night:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A luring

historical romance Von Ein Kunde In 1858, Mairey Faelyn loves traipsing all over the English countryside seeking anything related to the Celtic culture. Lord Jackson Rushmore, a leading industrialist, covets the legendary Celtic pin, Willowknot, which allegedly contains a map to one of the richest silver lodes in the country. Richard figures Mairey can provide him with the information he seeks. Richard forces Mairey to stay on his estate while working for him. They soon exchange hungry kisses and begin to fall in love with each other. Just as important, he begins to understand the deep desires for heritage that possess Mairey and her sisters. She begins to see the inner core of the hard shelled Richard. However, Mairey has vowed to protect Willowknot even as her wedding vows leave her in conflict. Is love enough to keep this relationship going when he demands her to surrender even as he fails to see the greatest treasure of them all is in his grasp. THE WEDDING NIGHT is a luring historical romance that provides readers a different look into mid-nineteenth century England. (Yes, Virginia there is more to the country than London.) The story line is loaded with a moral dilemma countered by humorous moments. The lead protagonists are a fine couple and her siblings augment the tale with jocular and a reverence towards custom. Linda Needham, who already has fashioned a delightful resume (see HER SECRET GUARDIAN and FOR MY LADY'S KISS), provides sub-genre fans with an arousing and appealing Victorian romance. A Real Yawner Von Ein Kunde I must admit that I was a bit shocked to find the glowing reviews of this book after I tried to schlep through it. Frankly, this book was boring. I couldn't get much more than 1/3 of the way through it. I don't like books that deal with made up legends and make the heroine such a priss about "preserving" some kind of past. Rubbish. Read Scandal's Bride if you want decent treatment of the subject, at least. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A story of love and passion at its best Von Ein Kunde I loved every moment reading the story of Mairey and Jack, two very passionate individuals who clearly and beautifully compliment each other. Ms. Needham's style of writing is not lyrical nor is it very Elizabeth Barrett-Browning; nonetheless, I enjoyed the down-to-earth exchange of anger, passion, love and laughter among the characters. I would certainly keep this book and read it all over again, and I can't wait to read Ms. Needham's other works as well.

Kurzbeschreibung Ruthless Lord Jackson Rushford forces Mairey Faelyn to move onto his estate--where she sees that despite Jack's wealth and power, he guards his heart more strongly than any treasure. As they kiss in the moonlit woods, she knows that he is the one man she should never marry. But then she is forced to do so, and must betray either Jack or her vow. Can their love last--after the wedding night? Pressestimmen "A star in the field of historical romance."-- "Affaire de Coeur" Kurzbeschreibung Ruthless Lord Jackson Rushford forces Mairey Faelyn to move onto his estate--where she sees that despite Jack's wealth and power, he guards his heart more strongly than any treasure. As they kiss in the moonlit woods, she knows that he is the one man she should never marry. But then she is forced to do so, and must betray either Jack or her vow.
