Von Emily Wells This is the first Millie Criswell book I have read, but it certainly won't be the last. I absolutely loved THE WEDDING PLANNER. Ms. Criswell has a flair for humor and her characters were so real to me they seemed to jump off the page. There is a tie in book coming out in April called THE MARRYING MAN, and I'm not going to miss it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Funny and poignant Von Ein Kunde Millie Crisswell's books have always kept me entertained. The Wedding Planner is very humorous, but also

very poignant. This is a book to curl up in front of the fire with--or to read on the beach--or in the bathtub!

From the first page to the last, The Wedding Planner is Millie Criswell in top form. Her characters are engaging, her plot is fast-moving. I can't wait to read The Marrying Man!

Kurzbeschreibung
Weddings were her business When she began her bridal consultant business, Meredith Baxter expected to coordinate bouquets and bow ties, not receive a billionaire's surprise proposal! Her latest customer, wealthy bachelor Adam Morgan, was the catch of the century. But why was he asking her to make such an important commitment? Why was he so desperate for a wife? Finding a bride was his! Any woman would do for the in-name-only marriage Adam needed. Yet, with Meredith he'd get a partner a mother for his kids and hopefully a lover for himself. Adam had to convince the lovely wedding planner to start preparing their ceremony time was of the essence. So he set out to change their relationship from strictly business to strictly pleasure.
