**Von Emily March : The Wedding Ransom (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wedding Ransom (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The sequel is even better than the originalVon Ein KundeWhile riding on his ranch on a pleasant day, Gentleman Rafe Malone, a former thief, decides to take an outdoor nap. He is awakened from his revelry by a sword pointed at his

throat. Thus, Rafe has formally been introduced to four elderly pirates. Rafe calmly asks them what they are doing on his spread in central Texas rather than sailing the seven seas. The pirates explain their dilemma and tender a deal to Rafe if he can steal back their treasure. Rafe, yearning for the adventurous life he left, agrees to the terms of the cutthroats. When Rafe and the pirates' "granddaughter", Mary Margaret "Maggie" St. John meet for the first time, they both are bewildered by their attraction for each other. Though Maggie wants nothing to do with the charismatic rascal, she knows that she needs his help if she is to recover the stolen treasure of her "papas". Maggie will do anything, including risking her heart, to protect her pirates. The sequel to the classic *THE WEDDING RAFFLE* is a wonderful novel that proves that GERALYN DAWSON is one of the top romance writers today. *THE WEDDING RANSOM* is an incredible blending of elements from the pirate romance sub-genre into a western romance story line that only someone of Ms. Dawson's caliber could successfully scribe. Fans will love Rafe's story even as the four senior knaves steal the show. This really is an incredible novel that will thrill fans of both sub-genres, thereby, widening the author's already wide appeal.

Von Ein Kunde  
Geraldyn Dawson's *The Wedding Ransom* is truly heart warming story. "Gentleman" Rafe Malone is a fantastic hero and at one time he was the slickest thief in Texas. I've never seen anyone with four grandfathers and each one has a personality of their own. This book is heart warming, lovely, and with some funny scenes added into make a light hearted read that you won't want to put down.

Von natoule  
Western romance with a touch of piracy. Both heroes are incredibly cute but Mary's four Papas (retired pirates) are the very best. Just the right blend of real fun, adventure and a touch of tragedy. The story and the setting are quite original - which is really unusual and very welcome in the romance world. My first but certainly not my last by Dawson.

Kurzbeschreibung  
New York Times bestselling author Emily March pairs a notorious rogue with an unconventional beauty in *THE WEDDING RANSOM*, chosen a Top Ten Favorite Book of the Year by Romance Writers of America. Rafe Malone has retired from his life of crime, but sometimes he misses the excitement of a good escapade. So when a band of elderly pirates makes him a provocative offer, he can't say no. Raised to be a lady, Maggie St. John would prefer a more trustworthy man to help her recover a treasure hidden years ago, but with time and cash in short supply, she'll do whatever it takes to protect her beloved "papas." Soon she's tempted to adventure--and more--when Rafe sets out to win the most valuable pirate's prize of all--the delectable Maggie St. John's heart.

A historical romance by Emily March, writing as Geraldyn Dawson.
