Von Carla Kelly : The Wedding Ring Quest (Harlequin Historical) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wedding Ring Quest (Harlequin Historical):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Macht gute Laune!Von LeserCarla Kelly beschreibt ihre Charaktere wie immer usserst einfhlsam und warmherzig. Das war auch hier der Fall. Der Held und die Heldin haben ihre kleinen und gremen Macken, aber das macht sie umso

liebender und nahbarer. Der Plot der Geschichte geht ein wenig abseits der ausgetretenen Pfade, ohne sich in irgendwelchen Effekthaschereien zu verheddern, oder unrealistisch zu werden. Genau deshalb bleibt es auch spannend bis zum Schluss. Die Geschichte ist ansatz und ich werde es bestimmt wieder lesen, wenn ich einen Wohlfühltag einlege. Die drei Monate warten, bis das Buch erschien haben sich auf jeden Fall gelohnt.

Kurzbeschreibung Searching for a ring finding a family! Penniless Mary Rennie knows she's lucky to have a home with relatives in Edinburgh, but she does crave more excitement in her life. So when her cousin's ring is lost in one of several fruitcakes heading around the country as gifts, Mary seizes the chance for adventure. When widowed captain Ross Rennie and his son meet Mary in a coaching inn, they take her under their wing. After years of battling Napoleon, Ross's soul is war weary, but Mary's warmth and humor touch him deep inside. Soon, he's in the most heart-stopping situation of his life considering a wedding-ring quest of his own! "Kelly has the rare ability to create realistic yet sympathetic characters that linger in the mind." Library Journal

ber den Autor und weitere Mitwirkende I started writing Regencies because of interest in the Napoleonic Wars. I like writing about warfare at sea and ordinary people of the British Isles, rather than lords and ladies. In my spare time I like to read British crime fiction and history, particularly the U.S. Indian Wars. I currently live in Utah. I'm a former park ranger, and double Rita Award and Spur Award winner. I have five interesting children and four grands. Favorite authors include Robert Crais and Richard Woodman.
