**Von Donna Fletcher : The Wedding Spell (Wyrrd Witches Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wedding Spell (Wyrrd Witches Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hilarious paranormal romanceVon Ein KundeBeing a witch is not all that it is cranked up to be. Just ask Alisande Wyrrd who has lived for three centuries and in spite of her powers has never found love. However, she has a problem caused by her lack of mating. Her powers are beginning to wane and only a lover can help her regain her prowess. The

obvious solution is to find some hunk of a male witch, but Alisande has waited three-hundred years for a love of a lifetime and settling is not good enough for her. Though it seems impossible and bleak, Alisande begins a search for her beloved. By her third magazine, to her own amazement, Alisande locates the individual she loves. Sebastian Wainwright, CEO of a security firm, thinks Alisande is a lunatic, but cannot stop his attraction to her. Now all she has to do is convince him that she is a witch, and by the way, they belong together, not an easy series of tasks when dealing with a mortal skeptic. Donna Fletcher is quickly gaining a reputation for her cleverly developed paranormal romances (see *WHISPERS ON THE WIND*). Her latest tale involving a witch seeking the love of a mortal will excite her fans due to the feel that the witch species is real. Sebastian retains too much doubt even with contrary evidence to prove him wrong. Alisande appears to be more of a regency heroine than a modern person. Still, readers will take great pleasure from their courtship. *WEDDING SPELL* never takes itself seriously, which becomes the magical charm of this delightful tale. Beautiful story and wonderful characters Von J COFFMANI didn't think Donna could write a better book than *WHISPERS ON THE WIND*, but she has. I wish I could give it 10 stars. This book has everything you want to find in a fantastic read, magic, laughter and most importantly love. Sebastian has to believe what Alisande is, a 300 year old witch who has cast a true love spell on him or lose her forever. Time is running out for them when he finally comes to a decision with the help of Dagon, another 300 year old witch, Alisande's aunt Sydney, a 600 year old witch and a fairy called Beatrice. Everytime you think you know what is going to happen there is another delightful twist to the story. You just cannot predict the end with any certainty. This story is so beautifully written. It will make you laugh, cry and believe in witches. A wonderful story. I can't wait to read Dagon's story in *MAGICAL MOMENTS*. If it is half as good as this one it will be brilliant. Well done Donna. 0 von 0 Kunden fanden die folgende Rezension hilfreich. not what i expected Von Karisa Nguyen I thought that this book was quite boring in the beginning. What led me to read on, I don't know because I really wasn't that interested. I found myself skipping several pages at a time to try to find a part that was even remotely interesting. Only towards the end did it get interesting and even then it was not that good. The climax of the story was fast and over with quickly. I felt as though the book itself were stretched out longer than it should've been, therefore making it boring with its useless comments. The characters were not really in depth and the story line is too slow. Sebastian seems like a good intelligent man, but it seems to me that it would be highly unlikely that he would fall in love with a woman just after some dreams he was having about her. Over all I did not really like this book and for those of you who are interested I recommend that you find another book to fill your time.

**Kurzbeschreibung** Alisande Wyrdd needs to find a lover. She's a three hundred year old witch who needs her energy recharged and she's particular about who she wants it to be she wants a mortal. She decides on Sebastian Wainwright, a powerful and practical businessman who has no time for nonsense and does not believe in magic. Alisande lets him know that she's a witch when they first meet and though Sebastian believes her eccentric or perhaps a bit nuts, there's no denying her beauty or that she's one seductive woman. With a touch of witchery Ali weaves a magical spell that can have dire circumstances for her and Sebastian. But she believes in the power of love and she believes that this mortal man will, in the end, cast a spell of his own and unite their hearts. Book one in the *Wyrdd Witches* series. **Kurzbeschreibung** Alisande Wyrdd needs to find a lover.
