**Von Adrienne Bell : The Wedding Trap (Second Service, Book 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wedding Trap (Second Service, Book 1):

Romance , Thriller with some humour, such a good combination. It kept me glued to my Kindle wanting to know what would happen next.0 von 0 Kunden fanden die folgende Rezension hilfreich. Krimi und LovestoryVon BschungshobelDie Geschichte ist nett und flssig erzht, der Spannungsaufbau (sowohl gefhlsmig zwischen den Charakteren als auch im "Kriminalfall") ist gut gelungen, alles wirkt glaubhaft

aufgebaut und erzählt. Es gibt einige Satzbaufehler (Wiederholungen von 2-3 Wörtern, fehlende Wörter etc.), aber es ist noch im Rahmen und der Text bleibt verständlich. Das Cover lässt einen mehr sexuelle Beschreibungen erwarten, was aber schließlich in der Geschichte erzählt wird hält sich im akzeptablen Rahmen und ist auch nicht übertrieben. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it Von Schnaufia Even I thought the story about pretending to have a sexy boyfriend was a bit over the top, the story was nicely executed and it was certainly a fun read. One of those books you can't put down. And to the contrary of what others wrote: The love actions aren't too detailed, they are just right. I enjoyed the entire book. A shame the other books of this series aren't as good as this one.

**Kurzbeschreibung** Beth Bradley has a problem. Everyone is expecting her successful music executive boyfriend, Charlie, to be her date for her best friend's wedding. There's one hitch: Charlie doesn't exist. Unless she can think of something fast, she's headed for the most humiliating weekend of her life. Alex Tanner has a problem. The former Navy SEAL's search for a double agent lands him at the Kensington Hotel, and he needs a cover to finish the job. When the sexy maid of honor blackmails him into pretending to be her lover, he thinks he's been handed the solution. Except Beth has a way of stumbling into trouble, and when the man Alex is hunting starts targeting Beth, Alex has to decide between solving the mystery or protecting the woman who has stolen his heart. \*\*\*Part romantic comedy, part thriller, and filled with plenty of intrigue, *The Wedding Trap* is the first novel in the Second Service contemporary romance series. \*\*\*Praise for *The Wedding Trap* RomanceJunkies.com says: THE WEDDING TRAP is a contemporary romance that has the bent of a romantic suspense with added spice thrown in. The book drew me in and I was immersed in the intrigue immediately. Kept me turning the pages. This is the first book in the series and I look forward to reading the others and hopefully being reunited with some of the characters we met here. Bell is a new to me author and I will definitely be adding her to my TBR pile.
