Kurzbeschreibung Alise has achieved the impossible. The Fairy survived having her wings chopped off, and now finds herself in the human world, hunted like prey by the sadistic Gorem once again. With her help, locating him means that the two Guardians of Balance, Rafe and Vale, will not only be able to make him pay for maiming her, but hold him accountable for the deaths of other Fairies, as well. However, Gorem has plans of his own for the rogue Fairy. With the help of a Wizard, Fabian, and an army of monsters, Gorem will stop at nothing to recapture Alise. With already so much on the line, Alise not only has to keep herself safe, but will also have to protect her new human friend, Cassie, in the process. Who will win the battle of good versus evil? Is capturing Gorem worth risking what remains of Alise's life?
