Werewolf zum Abgewhnen.Von guddiIch wei nicht was an diesem Buch gut sein soll!Der Werwolf Domenico ist ein manipulativer Mistkerl, der seine Frau wiederholt belgt, sie mehrmals (!!!)ffentlicher Erniedrigung aussetzt und zudem glaubt sich mit seinem Vermgen alles erkaufen zu knnen.Seine ach so gute kleine Frau Misty ist eine schwache und unglaublich naive Person sie sich in einer Tour von ihm herumkriegem It sobald er ihr Sex anbietet. Igitt!Die lahmen Erklungsversuche warum Domenico so manipulativ ist, haben mich berhaupt nicht beeindruckt, zumal er trotz des Versprechens sich zu bessern gleich in gewohnter Manier weiter macht.Am Ende mu man dann auch noch feststellen,

da es eine Fortsetzung dieser Story gibt. Mit Elfen und Feen!Nein Danke!0 von 0 Kunden fanden die folgende Rezension hilfreich. Wow! Never thought that this book would be so good!Von FilerimosI've never read a book of Marian Tee before, but I've to admit... I really loved The Werewolf Prince and I!The story and the charcters are well written and I finished it on one day. Simply couldn't stop reading:-).Domenico married Misty because he wanted to annoy his father and needed her to join the individual werewolf packs. At the beginning he's a dominant, arrogant and manipulative man who uses Mistys naivety to his own use.What he did not expected was, that she also began to be important for himself. He falls in love with her and the passion between these two is HOT. ... - Until Domenicos selfish games bite him back. Hard. And Misty dissapeared...GOD I hope the sequel will be released soon!

KurzbeschreibungBroke, nerdy, and self-confessed wimp Misty Wall leads a ho-hum life as a Grammar Nazi intern, which of course earns her feelings of hate-at-first-sight from her colleagues at Ze Morgue, a.k.a. Moretti Inc.'s Administration Department.Misty has always wished for something exciting to spice up her boring-with-a-capital-B existence, but she never thought it would come in the form of a gorgeous six-foot-plus billionaire. The world knows him as Domenico Moretti, the ruthless, cunning, and aloof CEO of Moretti, Inc, a.k.a. her boss.Gifts of (mis)fortune come in threes, they say, and its certainly the case with Misty, whose life is turned upside-down by Domenico Morettis three shocking revelations.One, hes a werewolf (whos also a prince).Two, he wants her in his bed him, the guy who actually had to file a TRO against an obsessive supermodel.And three, he has a proposition she never and she means never ever sees coming.Warning: Contains scenes not suitable for very young readers.KurzbeschreibungBroke, nerdy, and self-confessed wimp Misty Wall leads a ho-hum life as a Grammar Nazi intern, which of course earns her feelings of hate-at-first-sight from her colleagues at Ze Morgue, a.k.a.
