Love the unavoidable distractionVon Jean SmithNothing could be more inconvenient than discovering you are absolutely powerless to resist the magic of your fated mate. It sure doesnt help secure the respect of your teammates when said mate abdicates her leadership to you after a fairly obvious tour of the mile high club. At every turn, Rain is confronted

with his uncontrollable desire for Nora. At the same time, Nora wants nothing to do with a forever bond. She's been there, done that only to have her mate slain by her overbearing and controlling father. No way, no how does she want to go there again. They're making progress on finding the origin of the unbonded wolves. Tension is mounting. Rain and Nora though, have more challenges than just this mission to deal with to find their HEA.\*\*\*\*\*Reviewed for Xtreme Delusions\*\*\*\*\*

Kurzbeschreibung Unbonded wolves are unsafe--something Rainer "Rain" DuBois knows all too well. As a former leader of the Black Wolf Rangers, it's his job to find them, protecting packs from all over the country. With a mission to lead a team of enforcers into the heart of Mexico to face off against a madman, nothing can derail him from his goal. Until he meets Nora Cavanaugh... Teaming up with Rain is just what Nora needs to escape her relentless and unforgiving family's grip. Always forced to walk the line, Nora craves a little rule-breaking of her own. But working with Rain ignites a magick that Nora thought fizzled out long ago. Giving in to that pull, that familiar and hot sensation, just might put them in more danger than they ever imagined. COMPLETED SERIES! While each book in the Moonbound series is a complete and satisfying romance arc, there is a larger suspense arc that is revealed in pieces and not fully resolved until the end of the final book. We highly recommend reading the books in order, and starting with Book #1, The Werewolf Cowboy. Kurzbeschreibung Unbonded wolves are unsafe--something Rainer "Rain" DuBois knows all too well.
