Von Susan Howatch : The Wheel Of Fortune (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Wheel Of Fortune (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. I loved it Von Ein Kunde This book had so much depth. Susan Howatch kept you spinning. Each chapter, you would get a different viewpoint of a different character that was completely believable. It gave you the impression that you weren't

reading a book but you were living in a three dimensional world. Each of them, as well, had a moral dilemma, and each of them was strong in their own way. They were solid, real people, and more than that, they were people that you could like. Anyways, my favorite character was Harry.1 von 1 Kunden fanden die folgende Rezension hilfreich. Wheel of Fortune follows what historical family? Von g. david In Penmarric, Susan Howatch mirrors the lives of King Henry II, Eleanor of Aquitaine and their sons. Cashelmara reflects the lives of Kings Edward I and Edward II. The Rich Are Different and Sins of the Fathers echo Julius Caesar, Cleopatra, Marc Antony and Augustus Caesar. So my question is: What historical family does The Wheel of Fortune reflect? Does anyone have any ideas. E-mail me at g david@mcclainfinlon.com or gbdce@aol.com.0 von 0 Kunden fanden die folgende Rezension hilfreich. absolutely stunning Von Ein Kunde I have read this book over 15 times over the last 10 years and am on my 6th copy. It is familiar and yet always better. Robert comes to us a pompous chauvenist yet you begin to sympathize with his steeley yet romantic nature. I think Julie hit that when explaining to Kester the true essence of his parents' struggle. Gnevra was the type of woman whom I loved with her scheming to hide things from Robert and her down to earth attitude in realizing her short comings. The way Ms.Howatch wrote the incredibly complex nature of the relationship between Harry and Kester was brilliant. And the downfall of Harry made me feel for him. Margaret was an old battleaxe but she was softened once the history of her life was revealed. John was complicated and pompous but redeemed by his inner self once he allowed it to show and he became a quiet hero trying to do the right thing after he realized his ways. But the best character for me was Bronwen. Struggling hard to fit into a society that was not about to let her in.(I, as an American engaged to a Hindu straight from India could absolutely relate) Overall this was the most entertaining and turn the page book I have read out of thousands. You really do not want it to end, even after 1171 pages. I missed them all This should be turned into mini-series with each character narrating certain parts describing their thoughts along with their performances. Maybe I could play Bronwen! I have also read almost all of her other books and each was brilliant also. But this one stands out as the best for me.Thanks Susan!

Kurzbeschreibung Robert Godwin's tumultuous ride on the Wheel of Fortune begins with his passion for his sensual cousin Ginevra, as they waltz to 'The Blue Danube' beneath the chandeliers at Oxmoon, his beloved family home in Wales. As Robert discovers, his rational, well-ordered mind will be forever altered by his obsession for Ginevra, and his destiny will be forever linked to Oxmoon by the skeletons which lurk in the family closet...For fifty years, from the sinister summer afternoon of 1913 to the 1960s, the Godwin family are sucked into a maelstrom of passion, disorder, madness and murder. Fortunes rise and fall in this sweeping, compulsive tale, until the Wheel of Fortune finally comes full circle.Pressestimmen Truly unputdownable * Sunday TIMES * She is a deft storyteller, and her writing has depth, grace and pace * TIMES * Kurzbeschreibung Robert Godwin's tumultuous ride on the Wheel of Fortune begins with his passion for his sensual cousin Ginevra, as they waltz to 'The Blue Danube' beneath the chandeliers at Oxmoon, his beloved family home in Wales.
