Von Donato Carrisi : The Whisperer (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Whisperer (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Enttäuschend Von Kunde Der Anfang war einigermaßen vielversprechend. Das Konzept des Buches ist nicht durchdacht und extrem unwahrscheinlich. Werde bestimmt kein Buch dieses Autors mehr lesen! 0 von 0 Kunden

Kurzbeschreibung Six severed arms are discovered buried in a forest clearing. They are arranged in a mysterious circle, and appear to belong to missing girls between the ages of eight and thirteen. But the rest of the bodies are nowhere to be found. Criminologist Goran Gavila is given the case. A dishevelled, instinctively rebellious man, he is forced to work with young female police officer Mila Vasquez. Lithe, boyish, answering to no one, Mila has a reputation as a specialist in missing children. She also has a tragic history of her own that has left her damaged, unable to feel or relate to others. Theirs is a fiery but strangely affecting working relationship - and as they uncover more secrets about the dark secrets in the forest, their lives are increasingly in each other's hands... A gripping literary thriller that has taken Italy by storm, The Whisperer has been as sensational a bestseller in Europe as the Stieg Larsson novels. It is that rare creation: a thought-provoking, intelligent literary novel that is also utterly unputdownable.

Pressestimmen "Employs the graceful turns of phrase common to literary fiction ... Carrisi's villain is a suitable cohort for Hannibal Lecter, and his detectives are intelligently nuanced, each struggling, sometimes failing, to cope with the depravity into which they immerse themselves in the name of good. A haunting, disconcerting, devastating portrait of evil." -- Kirkus s "Donato Carrisi has a unique gift for blending fascinating forensic detail, mind-bending plot twists, and empathetic characters into a seamless, powerful narrative. THE WHISPERER intrigues, informs, and haunts simultaneously, a novel that will linger in the mind long after you've finished." -- Michael Koryta "Intricate plotting. Major surprises. THE WHISPERER has already won several literary awards abroad and has been a bestseller all over Europe. I predict no less for it here." -- BookPage "Intriguing.... an engagingly gruesome tale." -- Publishers Weekly

Pressestimmen "Gruesome and gripping... a taut psychological thriller The Times More than delivers on its ghoulish promise... you might not want to read this alone in the house Time Out Gripping, multi-layered and difficult to put down, this is a top class literary thriller Choice A gripping read... I defy anyone to guess the denouement Guardian
