Von Alex Marwood : The Wicked Girls (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wicked Girls (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Langweilig und uninspiriertVon dieleseratzIch wei nicht, wieviele Romane ich mittlerweile las, auf der Stephen King (einer meiner Lieblingsautoren) das betreffende Buch in den hchsten Tnen preist - und es ist dann ein einziger Reinfall.Leider sind hier in "The Wicked Girls" die Protagonisten absolut unsympatisch, die Geschichte tmpelt vor

sich hin und es passiert bei zig Seiten so gut wie nichts. Das Ende ist auch so uninspiriert, ohne jegliche überraschende Wendungen, so dass man sich schon fragt: Das soll ein Krimi sein? Gab es für diese "Erzählung" im Vorfeld überhaupt einen Entwurf oder schrieb der Autor einfach drauf los? Einfach nur langweilig, ohne Humor, ohne Thrill, ohne sympathische Protagonisten, mit denen man mitleiden und -hoffen kann, ohne zumindest eine überraschende, mitreißende Auflösung. Fazit: Nicht empfehlenswert, eine große Enttäuschung. Gottseidank nur 99 Cent investiert! Meine Empfehlung: "The kind worth killing" oder "Evil Games" von neuen Autoren, die auf der ganzen Linie überzeugen! 1 von 3 Kunden fanden die folgende Rezension hilfreich. Alles Super! Von -Kunde Seit langem das beste Buch, wahnsinnig spannend, konnte den Reader nicht aus der Hand legen. Zwei vorpubertäre Mädchen kommen ins Gefängnis, weil sie den Tod eines Kleinkinds verschuldet haben. Mit neuen Identitäten ausgestattet kommen sie viele Jahre später raus. Jede versucht in ihrem neuen Leben zurecht zu kommen. Als sie sich durch Zufall wiedertreffen (lebenslanges Kontaktverbot), erfährt der Leser, was vor vielen Jahren an diesem schicksalhaften Sommertag geschah. Klasse, toller Stil, mitreißender Aufbau der Geschichte, glaubhafte Charaktere, I love it! Klare Kaufempfehlung für alle Fans von Krimis, psychologischen Thrillern etc. We want more, Ms. Marwood, please...! 1 von 5 Kunden fanden die folgende Rezension hilfreich. Wow, unglaublich gut!!! Kurzbeschreibung One fateful summer morning in 1986, two eleven-year-old girls meet for the first time and by the end of the day are charged with murder. Twenty-five years later, journalist Kirsty Lindsay is reporting on a series of sickening attacks on young female tourists in a seaside town when her investigation leads her to interview funfair cleaner Amber Gordon. For Kirsty and Amber, it's the first time they've seen each other since that dark day when they were just children. But with new lives - and families - to protect, will they really be able to keep their wicked secret hidden? **Pressestimmen** "The Wicked Girls" is ingenious and original -- a novel that surprises and rewards its readers, delivering a twist of an ending that I never saw coming, then realized it was the only ending that could truly satisfy. Real, chilling, true to its world and its characters. In short, a knock-out." --Laura Lippman, "New York Times" "bestselling author of "And When She Was Good "and "What the Dead Know" ""The Wicked Girls" is utterly compelling. It's psychologically rich, complex and masterfully plotted. I couldn't put it down, even when I sensed it was taking me somewhere very dark indeed. I can't wait to see what Alex Marwood comes up with next." --Jojo Moyes, "New York" Times "bestselling author of "Me Before You" "Tense, twisty and brimming with revelation, "The Wicked Girls" offers everything you dream for in a suspense novel. Not only does it hold you in its clutches, but it offers pointed and poignant insights into the way we reconcile with our past, and the collective danger of our own insatiable curiosity." --Megan Abbott, author of "Dare Me" "A haunting, beautifully written and thoroughly captivating story of friendship, fear and deep, dark secrets. I absolutely loved this book." --Alison Gaylin, author of "Into the Dark " "I loved it. I thought it was a brilliant exploration of the sins of the past colliding with the mistakes of the present; really well-written, multi-faceted characters, who behave in ways you wouldn't expect them to: in other words, like real people. I particularly enjoyed seeing the effects of serious crime on the transient, seaside community and how the press apportion blame according to their own agenda - a really interesting insight into the way they conduct their business. So having read it and devoured every page, I will debase myself and say... I really wish I'd written it! It was cleverly plotted and pacy, with all the storylines thundering towards a final, gripping conclusion." --Elizabeth Haynes, "New Yor" "If Tana French and Gillian Flynn stayed up all night telling stories at an abandoned amusement park, this is awfully close to what they might come up with." - "Booklist" (starred review) ""The Wicked Girls" is ingenious and original -- a novel that surprises and rewards its readers, delivering a twist of an ending that I never saw coming, then realized it was the only ending that could truly satisfy. "Harrowing... while the received wisdom on violence committed by children seems to be that 'some people just are born evil, ' Marwood makes a strong case that these crimes are more likely rooted in poverty, abuse and parental abandonment." - Marilyn Stasio, "The New York Time Book " "The swirling mass of perceptions and happenings behind the main drama of Kirsty and Amber's past crime is what makes The Wicked Girls more than a plot-driven mystery novel. (Not that it isn't also that; Marwood sacrifices no speed, no engaging details or cliffhangers for the sake of the book's spiky undercurrent)." - "The Rumpus" "In addition to being an excellent intelligent dark thriller in the vein of Gillian Flynn, "The Wicked Girls" presents an intriguing insider's account of salacious British tabloid journalism" - "BoingBoing " "[Alex] Marwood is equally at home with terrifying, potentially violent scenes and quieter ones revealing the tensions of work and family life. She is also adept at depicting the subtle and not so subtle ways differences in class shape the lives of the girls and the women they've become."--"Columbus Dispatch" "The pacing is whip-smart..."The Wicked Girls" makes a compelling novel not easily forgotten." -" South Florida Sun Sentinel " "Riveting from first page to last... A suspenseful, buzz-worthy novel." - "Kirkus "(Starred) "If Tana French and Gillian Flynn stayed up all night telling stories at an abandoned amusement park, this is awfully close to what they might come up with." - "Booklist "(starred review) ""The Wicked Girls" is ingenious and original -- a novel that surprises and rewards its readers, delivering a twist of an ending that I never saw coming, then realized it was the only ending that could truly satisfy.
