**Von Brenda Jernigan : The Wicked Lady (The Ladies Series Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wicked Lady (The Ladies Series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An incredible fairy tale romanceVon Joyously Retired TeacherKristen has grown up in the streets since the age of five, becoming a skillful pickpocket to provide for herself and her little brother. Then one day she has the good luck to be caught picking the pocket of Trevor Claremont, the Duke of Chatsworth. It was good luck because, after she

accidentally shoots him in the shoulder, he promises not to turn her in to the law as long as she agrees to become his wife. Now this is where the story begins to stretch one's credulity. Why would a wealthy duke need (or want) to blackmail a THIEF to become his wife? Most dukes would be a lot more concerned about a potential wife's breeding and background than this one appears to be. His reasoning--that he needs a wife quickly to placate his ailing grandmother--just doesn't ring true when the grandmother turns out to be a cranky old woman whose complaints seem to amuse Trevor rather than cause him to worry. However, if you can ignore some of the mistakes in logic and historical accuracy, you may find yourself enjoying the story. (I always did like fairy tales as a child!) It is obvious that Trevor loves Kristen; however, his own loveless childhood has taught him to distrust people. The idea of a marriage bargain without involving love is his way of avoiding the pain of the inevitable rejection. Kristen doesn't want to admit to loving Trevor either, because she knows that he doesn't truly love or even trust her. The best part of the book is after their marriage as the duke and his duchess explore their physical feelings for each other and--together with her brother and the grumpy grandmother--begin to function as the caring family that neither has had before. But a malevolent force just around the corner will test their courage and determine their destiny.

Von Detra Fitch  
Kristen Johnstone was caught when she tried to pick the pocket of Trevor Claremont, Duke of Chatsworth. He gave her the choice between jail or marriage to him. Trevor was in need of a wife immediately and had no qualms about forcing the lovely Scot into the role. He even took in Kristen's five-year-old brother, Hagan, and paid off her abusive step-father, Ned. But the attraction he felt for the little thief grew into love.... An awesome story with several obstacles for the two lovers to overcome! Many twists and turns that held me riveted and unable to tear myself away from the story! Highly recommended!

Dorris DeMaio really doesn't know what she is talking about.... This is a fantastic book, I just ordered Ms. Jernigan's first book after reading this one

**Kurzbeschreibung**The Thief When Trevor Claremont was blind-sided by a pickpocket on the docks beside his clipper ship, he tracked down the culprit--only to face a feisty, emerald-eyed beauty who stirred his hungriest desires. Seeing a solution to his pressing problem of finding a bride to please his dying grandmother, he offered her a deal: marriage to him...or prison, never imagining that this little cut-purse would also steal his heart.

**The Sea Captain**Kristen Johnstone realized she'd been outfoxed by this handsome Englishman and reluctantly agreed to a marriage in name only. Soon, she traded rags for resplendent gowns, black alleys for drawing rooms, and fury for fiery passion in the arms of her new husband. But when the scandalous secrets of her past came to light, she would risk everything, including her heart to save a love more precious than gold.
