It is a stress reliever for me and I choose books by the person who writes them. This is the first book I have read written by Lawana Blackwell but it will not be the last.

The characters and place became so real to me and all without stress. I didn't feel the need to race through it. I wanted to savor every word. I will recommend her books to anyone. 1 von 1 Kunden fanden die folgende Rezension hilfreich. An uplifting and encouraging piece of work Von Ein Kunde This was the first book I have read by Lawanna Blackwell. Needless to say, I was thoroughly impressed. This is the type of book I wanted to spend forever reading because it was so good. When I finally finished the book, I was left with such an uplifting feeling. This book is so positive and encouraging and I'm sure it would brighten anyone's day. The book also has a lot of practical advice that we could all apply to our everyday lives. Truly, one of the best books I have ever read. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Pleasant, uplifting experience Von Ein Kunde This author is new to me, but I will certainly be looking for more of her books to read. The characters are so well developed, I felt I knew them personally before I finished. The story teaches but does not preach about the need we all have for faith, friends, and truth. Anyone who enjoyed the Mitford Series by Jan Karon will enjoy this book.
