Von Carole Radziwill : The Widow's Guide to Sex and Dating (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Widow's Guide to Sex and Dating (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gemischte GefhleVon seldaIch mag die coole, leichtfge Art in der Carole Radziwill schreibt. Leider war die Geschichte nicht berzeugend gestrickt.Claire (34) ist mit dem lteren, sehr erfolgreichen Autor Charlie verheiratet. Als

der durch einen Unglücksfall ums Leben kommt, bricht Claires Welt zusammen. Sie strzt in eine tiefe Depression, weil sie pltzlich nichts mit ihrem Leben anzufangen wei. Charlie hat vorher den Ton angegeben und ihr Leben dirigiert. In diesem Teil des Romans hatte ich echte Schwierigkeiten am Ball zu bleiben. Claire schien so desinteressiert am Tod ihres Mannes, dass ich mich fragte, wieso ich weiterlesen soll. Da Claire durch ihr grozsiges Erbe nicht arbeiten muss, vegetiert sie ohne Struktur von einem Tag zum nchsten. Sie probiert auf verschiedene Art und Weise (hier wird es wieder unterhaltsam) eine Richtung zu finden. So richtig Fahrt nimmt die Geschichte auf, als sie sich in einen berhmten Hollywoodstar verliebt. An dieser Stelle wird der Roman lebendig und mitreierend. Da die Autorin eine Affre mit George Clooney hatte, musste ich bei der Beschreibung des Schauspielers an ihn denken;)Schade, dass der erste Teil des Buches so lustlos wirkt, ab der Mitte wurde ich gut unterhalten. Von mir gibt es dreieinhalb Sterne dafr.

Kurzbeschreibung Claire's husband is a philandering 'sexologist' who believes love and sex can't co-exist. But it breaks her heart when he dies and leaves her a young widow. As she braces herself for her new life alone, Claire can't help but wonder if her late-lamented was right all along. After getting through the pain of his passing, she's returning to the battlefield of bad dates. So when she's asked to write the biography of lothario movie star Jack Huxley, she's surprised when he doesn't live up to his sleazy reputation. Not only is he more than meets the eye, but he's got his eye on her. Claire's determined to banish her husband's ghosts and prove him wrong. But having found her first Mr Right, does she deserve a second? A unique, extraordinarily perceptive and darkly comic novel about widows, sex and love - in that order.
