Oh ich liebe sie jetzt schon!Cami ist die Tochter eines Pferdezchters, die fr ihre Ferien nach Hause kommt.Trick, eigentlich Patrich, ist der neue Angestellte ihres Vaters. Sie begegnen sich in einer Bar bevor sie am nchsten Tag feststellen, dass sie sich in nchster Zeit immer ziemlich nah sein werden, ohne sich nah sein zu knnen. Und was sie noch nicht ahnen, wie verwoben Ihrer beider

Leben schon seit langer Zeit sind. Es werden ihnen Steine in den Weg gelegt. Steine aus Lgen, Verrat und nie verwundenem Schmerz. Wird Ihrer beider Kampf um ihre Liebe fr sie gut ausgehen, oder wird die Vergangenheit alles zerstreuen! 0 von 0 Kunden fanden die folgende Rezension hilfreich. save a horse... Von licai Was macht man an einem perfekten Sommertag? Genau... sich in der Sonne aalen und ein Buch genieen ^^ Cover----- Hmm ein schner Rcken kann auch entzcken ;) Und dieser ist doch wirklich ein, zwei Blicke mehr wert. Inhalt----- Als Cami auf Trick trifft, scheint die Welt stillzustehen. Alles schrumpft zu Nichtigkeiten zusammen. Selbst die Tatsache, dass Cami eigentlich einen Freund hat. Was allerdings die Sache noch mehr verkompliziert, ist, dass Trick die neue Hilfe auf der Pferderanch ihres Vaters ist. Eine Liaison mit einem Angestellten ein absolutes No-Go. Fazit----- 'The Wild Ones' ist eine sexy Sommerlektre fr zwischendurch, obwohl die Warnung, dass diese 'Dinge unpassend fr jngere Leser' entht mehr impliziert als tatschlich vorhanden ist. Abwechselnd aus der Perspektive von Cami und Trick erzht, ist Leightons Werk eine leichtfige und flssige Unterhaltung. Allein das bermige, wiederholte Beschreiben des Gefhlsleben und die Anziehung der beiden Protagonisten war fr mich manchmal ein wenig zu viel des Guten. Charmant, keck und s. Kein must-read, aber wunderbar geeignet fr heie Sommertage in der Liege mit einem kalten Getrnk in der Hand. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Hot hot hot Von Anelava Michelle Leighton's stories are nothing new for me: I've started with Madly Series. With The Wild Ones Michelle has created a different but very enjoyable book, perfect for a hot summer night. ;) Though the story takes place in the USA, among cowboys, it is still really easy to dive into the plot and feel like a part of it. The characters are very vivid, the chemistry between them is palpable. The book is not for children, but for rather mature young adults, while there is some hot stuff going on between Trick and Cami (very nicely described ^^). Every love story has a drama, and there is some major drama here as well, so the reader keeps pondering all the time whether the pair will have a Happy-End or not. I enjoyed reading this wonderful book! (and I think I am a bit in love with Trick lol)

Kurzbeschreibung From the author of the Bad Boy Novels Down to You and Up to Me Passion as hot as midnight in the South and love as wild as the horses they tame. The darling daughter of a champion Thoroughbred breeder, Camille Cami Hines has a pedigree that rivals some of her father's best horses. Other than feeling a little suffocated at times, Cami thought she was happy with her boyfriend, her life and her future until she met Patrick Henley. Trick blurs the lines between what Cami wants and what is expected of her and he just happens to be so sexy she can't keep her hands off him. While they both know that Trick would lose his much needed job on the ranch if anyone finds out, they can't resist the lure of their scorchingly hot encounters. But when Trick stumbles upon a note from his father, it triggers a series of revelations that could ruin what he and Cami have worked so hard to overcome. It turns out there's more to Trick's presence at the ranch than either of them knew, and secrets with the power to tear them apart. Pressestimmen This book is worth every second I spent reading it. Ms. Leighton is a phenomenal writer and I cannot give her enough praise. Bookish Temptations Hands down one of the hottest books I've read all summer. Complete with love, secrets, dreams and hidden pasts! The Wild Ones is romantic, sexy and absolutely perfect!!! Drop everything and read this RIGHT NOW! The Bookish Brunette I can honestly tell you that this is one of my top books of the year and easily one of my new all-time favorites. I couldn't put the book down. The Autumn You will laugh, swoon and even shed a few tears. M. Leighton knows how to write an amazing story. Get your copy of The Wild Ones today. You will not regret it.
