KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. OMG that was...always expect the unexpected with R.K. Lilley!Von CassandraIt started HOT, and we talk panty dripping HOT! You meet Alasdair, a 40-year-old divorced man who's obsessed with his workout. And there at the gym he meets Iris. At first you would think she's the typical blonde, skinny bunny who's up for his money. But as always with

R.K. Lilley you are up for a surprise with Iris. She definitely gives Dair a run for his money with a pretty good chance of a heart attack! From the steamy hot first part you go to the steady serious part to the where-the-hell-did-everything-went-wrong part. Iris keeps a lot of secrets and that's when things get intense and interesting. And so begins the part of intensity and craziness and...the book stops! ARG!!!! Can't wait for book 2!

Kurzbeschreibung THE WILD SIDE ARE YOU READY TO TAKE A WALK? Alasdair Masters is in a rut. He just hit forty, has been nearly celibate for the past year, and his life has turned into a daily sequence of lonely patterns that revolve around avoiding human contact. His tidy life is turned on its head when a hot young blonde at the gym that's been pseudo-stalking him decides to rock his world. A very young blonde. Way, way too young for him. The problem is, he can't seem to tell her no, and she just keeps coming back for more. It doesn't help that he's ninety percent sure she's a criminal, and still, he can't seem to turn her down. What is a dull introvert to do when a chaotic cyclone that oozes sexuality comes twisting into his life? At first, he thinks she'll give him a heart attack, but after his twenty-year marriage ended a year ago, he's been a little lost, and when she comes crashing into his life, he realizes that he's never felt more alive. Is a walk on the wild side just what he needs to get his life on track or a disaster in the making? Is it possible for someone that much younger to be just what he needs, or is she a fortune hunter, as everyone keeps telling him? Is it his hormones telling him that the mysterious younger woman is the one, or could it be more? This book is intended for readers 18 and up.
