Wonderful book!Von Ein KundeThis was a refreshing change from Rosemary Rogers Steve and Ginny stories and also from her other titles. Rowena comes to America hoping to meet her long lost father and to start a new life away

from England and her shallow mother and stepfather. She arrives to find herself in the middle of a longstanding feud. Although, the heroine, Rowena, seems cold at first, you see her transforming into a warm human being during the course of the story as she learns more about the people and history of her new American home. Lucas, the hero is enigmatic, stoic and tragic and he is haunted by his past. Both characters have had less than ideal backgrounds prior to meeting and this colors their perceptions of people. This is a story of how hate and revenge can ruin lives but it is also a story of being open hearted and willing to listen to both sides of a story. The characters are colorful. Some are shallow while others are more hidden and complex. There is an element of suspense to the novel as the reader finds out what happened so long ago to initiate the feud. The ideas of duty and fate are touched on in this book but don't cast an overbearing shadow. 1 von 1 Kunden fanden die folgende Rezension hilfreich. The Best Twist and Love Story I Have Read! Von Ein Kunde This is my all time favorite story. The characters lived lives that were realistic with their sexual liaisons, etc. I get tired of reality being left out of romance books. Authors like Rogers who dare to include in their stories such things as the incest the step father forced on Rowena make the stories more interesting. This story has so many interesting and shocking twist to it as the family history and relationships are revealed. I fell in love with Lucas. He seemed to be such a sensual man. The relationship between him and Rowena was disturbing, erotic, and thankfully ended positive. I can't say enough about the twist in the story, these twist and Lucas is what made this my all time favorite!!! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Truly Captivating Von Customer The Wildest Heart was the first historical romance I ever read...and that was at fourteen. The characterization and story still capture my imagination today (I am in my mid-thirties). I enjoyed being introduced to Rowena and Lucas and viewing the struggles they went through, both together and individually. It was wonderful to have the opportunity to watch them grow emotionally and to watch them discover they were stronger than they realized. Rosemary Rogers' Wildest Heart kept me captivated well beyond the last page...beyond the last word...her Rowena and Luke continue to wander out there in the southwest, two truly "wild hearts."

Kurzbeschreibung "An epic novel... You won't want to put it down." Night Owl Romance, Top Pick! Passionate, headstrong Lady Rowena Dangerfield and dark, dangerous outlaw Lucas Cord... two destinies intertwined under the blazing New Mexico sun... Lady Rowena Dangerfield travels from the exotic palaces of India to the splendor of the Royal Court of London to the savage New Mexico frontier to lay claim to her inheritance and live freely as only she would dare. In the violent, untamed American Southwest, she finally meets a man as strong as she is: Lucas Cord, a dark, dangerously handsome, half-Apache outlaw. Fighting scandal, treachery, and murder, Luke is determined to have Rowena for his own, and as their all-consuming passion mounts, no one is going to stop him... Praise for Rosemary Rogers: "The queen of historical romance." New York Times Book "Rosemary Rogers has brought unique fantasy into the lives of 60 million readers worldwide." Chicago Tribune What Readers Say: "A true American west adventure. It makes you cry, it makes you wish, and it makes you dream. It's what a romance novel is all about."
