Von Suzanne Simms : The Willful Wife (Hazards, Inc.) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Willful Wife (Hazards, Inc.):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good story, disappointing endingVon sikora@altavista.netMs Simms has a long list of books to her credit, and she is a talented author. This is a good story with good characters, but the ending is very abrupt and leaves quite a few unresolved issues and unanswered questions. I can only conclude that success has made her "lazy." Surely no first-time author would be allowed to get away with so many loose ends. I do not blame Ms Simms - I blame her editor for letting her get away with it. Too bad. This was my Suzanne Simms book, and I think it will be my last.

Kurzbeschreibung THE MAN: Rugged private investigator Mathis Hazard. THE MISSION: Pose as the estranged spouse of beautiful hotel owner Desiree Stratford for investigative purposes only, of course. POSSIBLE COMPLICATION: Inability to keep his mind not to mention his hands off said Desiree. As soon as the once-reluctant detective Mathis Hazard got a look at lovely Desiree Stratford, he suddenly became a lot more eager to get to the bottom of all the weird goings-on at her hotel. And what better way to proceed than to pretend to be Desiree's husband? Yes, he knew what a tough job it would be and would probably take twenty-four-hour-a-day, one-on-one surveillance. But hey, a man had to do what a man had to do.
