Von Laura Harner : The Willow Springs Ranch Collection Volume II (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Willow Springs Ranch Collection Volume II (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice storiesVon Kerstin LudwigI love all the guys, but I'm not too sure if "gayness" isn't contagious after reading that book. ;-)It's fun to read. Every page. Just the habit of the author, to let some strings unattached (the situation with the

"General" is unresolved as well as others) is a bit unnerving. Other than that I love the books.

Kurzbeschreibung**50% off List price**This volume contains the full versions of Hanging Chad, Park's Lot, and Whit's End, plus Kismet Cartwheels. Hanging Chad For Chad Ollom, landing on the Willow Springs Ranch after his teaching career crashed and burned last year was a lesson in irony, considering he'd sworn off all things related to horses and cowboys after a near fatal fall as a child. Now Chad plans to bring critically ill children to the ranch for a special celebration. Aging rodeo cowboy Jesse Duran lives life eight seconds at a time, and whether it's broncos or men, it's always been get on and get off before anyone gets hurt. When he's required to take a break from the circuit and ends up on the WSR, the enticing ass of a stand-offish teacher turned contractor might just be enough challenge to keep him entertained for a week or two. As attraction flares, personal boundaries start to crumble, and the lines between seducer and seduced begin to blur. When the series of on-going attacks against the WSR moves from sabotage to arson, Jesse steps up to help, but when Chad is forced to return to his past to face charges of abuse, the men of the WSR want to know if Jesse will stick or leave Chad hanging. Parks Lot When vegan, peace-loving, social do-gooder Park Williams stumbles across the half-dead cattle rancher who has been sabotaging the WSR in the name of a homophobic militia group there's only one thing to do. Save his life, then share his tent. Waking to find the man's dick pressed against his ass is just a bonus. Tanner Triplett is in trouble. Not the your-brother-is-a-sociopathic-murderer-and-you're-his-next-victim sort of trouble. Not even the your-father-is-trying-to-overthrow-the-federal-government-and-you're-going-to-jail-for-helping kind of trouble. No this is the sort of trouble that comes when you wake up with strangers dick in your hand. Holy fuck. How is he going to get out of this? A sudden need to run for their lives ought to do it. Kismet Cartwheels For the free-spirited Park Williams, leaving the relative safety of the WSR for a remote cabin near Flagstaff to spend some quality alone-time with his new boyfriend seems like a no-brainer. But Tanner Triplett is having a bad month. After two attempts on his life, he's helped put his father and brother behind bars, lost his beloved ranch, and oh yeah...stepped out of the closet in a big way. Whits End When his three-day marriage ends in an annulment, country music sensation Brody Kent finds himself on the run from paparazzi intent on discovering why. Seeking shelter with his old friend at the Willow Springs Ranch might not be his wisest choice, considering the place is crawling with gay cowboys, but he needs someone he can trust and time alone to look for the joy that's been missing from his music. Although no one should know of his travel plans, before he can make the turn to relative safety, Brody's run off the road by a rogue reporter determined to get a scoop. A very different cowboy rides to his rescue and Brody can't help but wonder, well, a lot of things. The men at the WSR might work hard and play harder, but as the long-awaited Ranch Quest approaches, ranch hand Whit Truman needs to focus on preparing to host the sick children and not the oh-so-sexy voice from his past due to arrive at any minute. Not that the singer would have any reason to remember his brother's childhood friend. When a desert storm postpones the event by a week, Whit takes some much-needed time off, only to stumble upon the object of his avoidance in a most surprising place. The walking, talking grown-up version of his teenage crush isn't anything like the arrogant megastar Brody plays on stage most of the time. That unexpected vulnerability could prove to be Whit's undoing, as he vows to do everything in his power to protect Brody if he doesn't kill him first.
