Hilarious HorrorVon KundenrezensionenEva organizes a holiday-job for Henry Wilt so they can keep the horrible quads in the expensive private boarding-school that wants to get rid of them and that in Henry's opinion has done nothing wrong to deserve the Horrors of teaching his offspring.Now he is supposed to teach

the horrible violent offspring of an alcoholic magistrate and his nymphomaniac wife to get him to Porterhouse College while his wife and his quads are on the same premises - a recipe for disaster if ever there has been one. Hilarious and fully in the style of the Wilt-series. A must for old-fans and a good first step for new ones. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung Stuck in a job he doesn't want - but can't afford to lose - as nominal Head of the Communications Department at Fenland University, Wilt is still subject to the whims of The Powers That Be, both in and outside of work. The demands of his snobbish wife Eva, and the stupendous school fees of his despicable quadruplet daughters, cause him the biggest headaches... apart from the hangovers, that is. When Eva signs him up for a summer job, teaching the gun-toting idiot son of a lusty local aristocrat, Wilt is not amused. But, as circumstances unravel and the summer goes on, Wilt sees that the situation could be put to his financial advantage, as well as giving Eva some headaches of her own. With Tom Sharpe's famous dark humour in full evidence, and an explosive plot which takes its readers to places they never realised they wanted to visit, *The Wilt Inheritance* is another instant classic from the British master of farce. Pressestimmen "A major craftsman in the art of farce... vengeful, chaotic, Swiftian in his tastes, cartoonish in his extremes, and above all wild and amusing." --The Observer "Britain's leading practitioner of black humour." --Punch "Tom Sharpe serves up the loudest laughs in literary comedy. He is the great post-Waugh humorist, the Wodehouse who dares plunge into the bottomless vulgarity and hysteria of our times, and a rattling good companion on a train journey." --Mail on Sunday "The funniest novelist writing today." --The Times From the Trade Paperback edition. Werbetext A hilarious Henry Wilt novel from Tom Sharpe, the British master of farce and bestselling author of *Porterhouse Blue*.
