**Von Iris Johansen : The Wind Dancer: 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wind Dancer: 1:

KundenrezensionenHilfreichste Kundenrezensionen2 von 3 Kunden fanden die folgende Rezension hilfreich. It's

amazing that no one else reviewed this book  
Von Helga Zahra  
The first and best of the Wind Dancer trilogy, this book contains all the Iris Johansen ingredients for a good read - a tough hero, a resourceful heroine, betrayal and suffering - with a happy ending. Plus steamy scenes. Iris Johansen does tend to manipulate history (see Storm Winds for a good example) but always in a believable manner and always leaving the reader with a feeling that it could have happened that way. I like Johansen because her characters are not static - they evolve throughout the story - becoming stronger all the time. She's not too squeamish about revenge either. What I regretted was the manner in which nearly all the supporting characters were killed off, especially little Paolo - It seemed so cruel but it was actually crucial for the plot and for demonstrating the ruthlessness of the Borgias.

Outstanding  
Von Ein Kunde  
I am an avid reader of many different types of books and this is without a doubt the best seires I hav ever read. Iris Johansen is one of the most talented writers I have had the pleasure of reading. She keeps you so enthralled in the story that you feel like your living it rather than just reading it. I'm not sure which was my favorite, they were all first rate. If I had to choose then it would be this one. If you have the opportunity to read this book.....DO IT! You will never forget it!

Kurzbeschreibung  
A hidden killer...a conspiracy of treachery...and two people caught in the most desperate game of all...  
In Renaissance Italy, intrigue is as intricate as carved cathedral doors, but none is so captivating as that surrounding the prized Wind Dancer, the lost treasure of a family--and of the man who will stop at nothing to reclaim it. Lionello Andreas is bound by his vow to guard the exquisite statue. But to recover what is rightfully his, he will need the help of a thief--one he can control body and soul. He finds his answer on the treacherous backstreets of Florence, in a sharp-witted young woman whose poverty leaves her no choice. But in the end, the allure of the Wind Dancer, and the ruthlessness of those who would possess her, will catapult them both into a terrifying realm where death may be the most merciful escape.  
From the Paperback edition.  
Pressestimmen  
Praise for Iris Johansens novels  
Iris Johansen keeps the reader intrigued with complex characters and plenty of plot twists....  
Moves so fast, youll be reading the epilogue before you notice. --  
People  
Johansens thrillers ooze enough testosterone to suggest she also descends from the house of Robert Ludlum. Johansen pushes the gender boundary in popular fiction, offering up that rarity: a womans novel for men. --
