Von Janette Oke : The Winds of Autumn (Seasons of the Heart, Book 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Winds of Autumn (Seasons of the Heart, Book 2):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. an excellant bookVon Ein KundeThis book is about a boy growing up. The main character's name is Josh. When a new school teacher comes and teaches things that don't agree with his religion Josh faces some hard decisions.Should he like the teachers daughter even though she isn't a Christian?Should he sacrifice his education for his beliefs? This story

is beautifully written through the eyes of Josh. I just couldn't put this book down. Be sure to read the others!
0 von 0 Kunden fanden die folgende Rezension hilfreich. It was so captivating, I just couldn't put it down!
Von Ein Kunde It is mainly of a boy growing up on a farm and all of the hardships he encounters along the way of growing up. Aunt Lou, who has played the part of his mother ever since his parents' death, is also growing up. I think anyone is interested in reading a wonderful, family related book this is the one.

Kurzbeschreibung Josh Jones realizes his family isn't typical, but it's the only life he's ever known. Aunt Lou, Gramps, Uncle Charlie, Grandpa--they all have shaped the young man he has become. But as he grows into manhood, Josh begins to face important questions about life, love, and faith. Three million books sold in the series!
From School Library Journal
lea. vol: CIP. Bethany House. 1987. pap. \$5.95; large print pap. \$7.95. Grade 7-10
In the first book, Belinda shows tender concern for any injured creature. At 14, she assists her brother, the town doctor, on amputation, birth ing, and burn cases. Wishing to be a boy so that she can become a doctor, she instead sets nursing as a goal. The story ends with a kiss from the boy whose arm was amputated and the promise of another book. Choosing a cousin's wallpaper, planning another cousin's surprise party, and persuading a destitute family to accept help are naive or sentimental scenes that abound in a thicket of characters from earlier books. Faith is tried and proved in this Christian house on the prairie alternative to formula romances. Shura's Jes sica (Scholastic, 1984) includes teen emotions in a well-researched Kansas frontier setting without the jarring colloquial dialect. In *The Winds of Autumn*, Josh, 15, spins his family's saga like a Huck Finn on the prairie. Camping trip mishaps fill a gap while the boys wait for a new teacher. The teacher's daughter mesmerizes the friends, and tutoring her introduces Josh to her father's private library and the theory of evolution. When his aunt loses her first baby, Josh questions divine benevolence. A heart-to-heart with Gramps about God's plan causes Josh to resolve his conflicts. Oke's Christian message overwhelms the events.
