**Von Herman Wouk : The Winds of War (Wwii)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Winds of War (Wwii):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. "The Winds of War"Von Vera AlexanderRead this book prior to "War and Remembrance" (Herman Wouk). Together they

are an immensely satisfying and epic account of hardship, heroism and terrible truths.

Kurzbeschreibung Herman Wouk's sweeping epic of World War II, which begins with THE WINDS OF WAR and continues in WAR AND REMEMBRANCE, stands as the crowning achievement of one of America's most celebrated storytellers. Like no other books about the war, Wouk's spellbinding narrative captures the tide of global events - the drama, the romance, the heroism and the tragedy of World War II - as it immerses us in the lives of a single American family drawn into the very centre of the maelstrom. Pressestimmen Wouk is a matchless storyteller with a gift for characterization, an ear for convincing dialogue, and a masterful grasp of what was at stake in World War II. \* San Francisco Chronicle \* With the whole world as its setting, The Winds of War tells the intimate story of an American family - a Navy family - caught up in the vortex of world conflict... World history comes to life at a personal, eyewitness level. \* Philadelphia Inquirer \* First-rate storytelling. \* New York Times \* The Winds of War gives more vivid pictures of the principal leaders of the war than military and political history could. Fiction is better than history at showing "how it really was" where matters of human character are concerned. \* Political Science Quarterly \* Compelling... a panoramic, engrossing story. \* Atlantic Monthly \* Kurzbeschreibung Herman Wouk's sweeping epic of World War II, which begins with THE WINDS OF WAR and continues in WAR AND REMEMBRANCE, stands as the crowning achievement of one of America's most celebrated storytellers. Like no other books about the war, Wouk's spellbinding narrative captures the tide of global events - the drama, the romance, the heroism and the tragedy of World War II - as it immerses us in the lives of a single American family drawn into the very centre of the maelstrom.
