Von Noah Gordon : The Winemaker (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Winemaker (English Edition):

Kurzbeschreibung From the author of *The Physician and Shaman* now comes this story of a young man the grapes he grows, the wine he fashions, the women he loves, and his struggle against an evil that seeks to destroy him. Already an international bestseller. Josep Alvarez is a young man in the tiny grape-growing village of Santa Eullia, in northern Spain, where his father grows black grapes that are turned into cheap vinegar. Joseph loves the agricultural life, but he is the second son, and his father's vineyard will be inherited by his brother Donat, the firstborn. Josep needs to keep his hands in the soil. He yearns for a job growing grapes and for an opportunity to marry Teresa Gallego. In Madrid, an assassination plot, conceived against the political leader of Spain by men of wealth and power, creates a storm of intrigue that sucks into its vortex a group of innocent young farm workers in Santa Eullia. How Josep's life is changed drastically by these events, and how, ironically, they gradually turn him into an inspired vintner with an evolving vision of life, is the fascinating story of *The Winemaker*.
