KurzbeschreibungRecently named executive chef at one of Miami Beach's hottest restaurants, Jaden Thorne is determined to make her culinary mark and fulfill her professional dreams. When Jaden is given highly coveted tickets to the ultra-exclusive Winemaker's Dinner, she jumps at the opportunity to meet South Florida's wealthiest and most influential food and wine enthusiasts. Jaden's eyes are drawn to the VIP section even before the appetizers appear, but she soon finds herself thinking less about networking and more about the intriguingly sexy stranger eying her from across the room. After dinner, what begins as a lighthearted flirtation unexpectedly catapults into a night of explosive passion. But when morning dawns, Jaden leaves her sleeping Mr. Oh So Sexy behind, sure they'll never see each other again. Dr. Ivan Rusilko, a handsome, young physician, boasts an extensive resume' and a well-established position on Miami Beach's social scene. But despite his success and glamor, he's routinely had to suffer uninspiring dates and doomed relationships. With a romantic heart, Ivan's not the "love-'em-and-leave-'em" type. But when he awakens to find that the girl in the red dress has done exactly that, he resolves to find her--only if it's just to ask why she left without even a kiss goodbye. The Winemaker's Dinner is a fictionalized erotic memoir inspired by the romantic triumphs and tragedies of Dr. Ivan Rusilko's real life. Weaving fact with fantasy, authors Everly Drummond and Dr. Ivan Rusilko have gifted readers with a swoon-worthy, flesh-and-blood romantic hero and the intoxicating bouquet only a heartfelt tale of passionate love can create.
