Von Nora Roberts : The Winning Hand: The MacGregors before purchasing it in order to gage whether or not it would be worth my time, and all praised The Winning Hand: The MacGregors:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. What a wonderful, adventurous, romantic tale.Von Ein KundeFrom the very first line of Chapter 1, I was drawn into the

character of Darcy Wallace. It was so easy to identify with her. I felt transformed by every experience she had. I experienced every emotion that Darcy did, every anticipation. The Winning Hand was filled from beginning to end with excitement! It was unbelievable. I felt as if I were Darcy Wallace. I have never been in a casino in my life, but the vivid descriptions drew me from Houston and sat me right down in the middle of the desert of Las Vegas, NV. I could feel the excitement of the activity going on in The Comanche. Darcy reacted exactly the way I would have the next morning after her arrival. Ms. Roberts did a great job of making these characters come alive, yes, but for the first time since I've been reading romances (at least 18 years) the background, the setting, was a character itself. At the end, I could not wait to pick up another story about the MacGregors. What a wonderful, adventurous, romantic tale. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not bad but not the best Von BooksBooksBooks This book was good but slightly predictable. I enjoy all of Roberts' books, however, this was not my favorite. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A little bewildering Von Ein Kunde This book had so many opportunities in the script for great things. But the author seemed to take the easy way out when ever possible. I felt that the author was trying too hard in the stories climax. Some of the conclusions the hero made about the heroine were completely unrealistic. Don't get me wrong, though. The book was very entertaining the hero was very sweet. All in all I'll probably re-read the book 6 months from now when I have completely forgotten the plot.
