**Von Eli Summers : The Winter Experience (Season Experience Collection Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Winter Experience (Season Experience Collection Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A life told in picturesVon CustomerThis book will make you laugh and it will make you cry, but mostly it will make you fall in love with Mattie and Morgan. An incredibly sweet love story, but never dull and never boring.A page turner through and through.The interview at the end of the book and the extra Halloween chapter are a nice touch too.I hope that Eli Summers has many more stories like this up his sleeve.

KurzbeschreibungIn this heartfelt romance, Mattie Hawkins, fifteen-years-old, leaves his old homophobic classmates behind when he moves to the town of Saskatoon. Mattie is late for his first day at his intimidatingly large new school, but he isnt the only one. When Mattie and seventeen-year-old Morgan Winters both reach for the door, their hands touch and electricity erupts through their bodies, and both boys know they have found the one. Mattie is coy, quiet, and easily flustered when he sets his eyes on the cool and collected Morgan. From his constant bedhead hair and carefree laugh to the way he always had a camera attached to his shoulders, Mattie was drawn to the crazy carefree charming and lovable mess that was Morgan Winters.These two boys navigate friendship, acceptance, growth and love with their two best friends: Jenny, the lovable spitfire, and Julian, the teddy bear jock. Along the way, Mattie and Morgan discover a love so strong, so deeply intertwined in each others hearts that nothing can come between them, or can it? A faraway college looms over their heads and an unforeseeable circumstance threatens to break their seemingly impossible bond. Join these two on their journey to see if Mattie and Morgans love will prove strong enough to beat the odds or if the love theyre building will come crashing down around them.KurzbeschreibungIn this heartfelt romance, Mattie Hawkins, fifteen-years-old, leaves his old homophobic classmates behind when he moves to the town of Saskatoon.
