**Von Jane Costello : The Wish List (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wish List (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Jackpot!Von AgiI have waited for this baby sooo long and when I finally got in this in my hands, I put everything that I was doing away and started to read it.Actually today I have abandoned my child to finish it:) She got some cookies that she normally doesn't get. Well, well, well...Back to the book. It was all that I love in a book, a typical Jane

Costello. My favourite way of writing: short, sharp chapters, a lot happening, lovely and likeable characters and a lot of fun. Although I must say that this book was somewhat "darker" than all the previous books, I don't know, not so carefree but still funny, witty and warm. I loved Emma, she was a kind of girl that I could be my friend, she was not perfect but she felt good in her skin and accepted herself like she is. She was not afraid to take risk, she was open and full of enthusiasm. There are also friends of Emma, Asha and Cally, and each of them has her own story which are also very engaging and not so easy to solve. Rob was soooo "meh", really, such a girl, I wanted to shake him sometimes and told him: Be A Man please. But please show me where Matt is living, I'll take him even with his three sons:) The story itself is really engaging. One can say, what is so original and new in Wish List and trying to achieve it but it is all about what kind of things are on this list and how Emma is going to achieve them. And she is doing it in a hilarious way, she takes us on a roller coaster ride with all its ups and downs. She is so prone to accidents, almost everything ends in a disaster and I was really laughing out loud reading this page - turner book. Especially when I read about her visit at the gyn. Or about the camping - disaster. This book is thoroughly enjoyable and actually I liked everything in it. Jane Costello is absolutely in my top - ten favourite writers. All of her books were just jackpot. Already ready for her next book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Jackpot! Von Agil have waited for this baby sooo long and when I finally got it in my hands, I put everything that I was doing away and started to read it. Actually today I have abandoned my child to finish it:) She got some cookies that she normally doesn't get. Well, well, well... Back to the book. All of her books were just jackpot. Already ready for her next book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A list of good wishes.. Von wicked\_fairy When I bought the book I thought the idea of having six months to achieve everything from a list written with fifteen is just great. It felt like something I would also do. But I didn't. At second thought it doesn't feel that good anymore. People change and what someone wants to achieve with fifteen could be totally different from what they want with nearly thirty. I loved the writing style. It was entertaining and very good to read. I liked the story because it was something I could connect to very good. Unfortunately I sometimes thought that some situations lasted forever and therefore were kind of boring. It weren't too many so it wasn't disturbing. All in all it was a great book. But at times the book was simply boring or at least sometimes it felt like a situation would never end. That is why I grand 4 of 5 stars.

Kurzbeschreibung THE SUNDAY TIMES TOP TEN BESTSELLING AUTHOR There are six months left of Emma Reiss's twenties and she has some unfinished business ... Emma and her friends are about to turn thirty, and for Emma it's a defining moment. Defined, that is, by her having achieved none of the things she'd imagined she would. Her career is all wrong, her love life is a desert and that penthouse apartment she pictured herself in simply never materialised. Moreover, she's never jumped out of a plane, hasn't met the man she's going to marry, has never slept under the stars, or snogged anyone famous - just some of the aspirations on a list she and her friends compiled fifteen years ago. As an endless round of birthday parties approaches, Emma sets about addressing these issues. But, as she discovers with hilarious consequences, some of them are trickier to tick off than she'd thought Full of warmth, friendship, fun and laughter, The Wish List is a novel to devour! Pressestimmen "'Close the doors, open a bottle of wine, get out the chocs and enjoy this wonderfully witty read. Jane Costello at her best' (Milly Johnson) 'Jane Costello earned her place on the bestsellers list with her witty, colourful and fast-paced style. All The Single Ladies proves that she certainly hasn't lost her touch' (Heat) 'Jane Costello is fast becoming one of our favourite authors - and All the Single Ladies doesn't disappoint' (Cosmopolitan)" Kurzbeschreibung THE SUNDAY TIMES TOP TEN BESTSELLING AUTHOR There are six months left of Emma Reiss's twenties and she has some unfinished business ...
