A sequel that doesn't disappointVon AnshaFirst I want to say, that I enjoyed this book soooo much, that I read it in one go, which lead to me almost getting no sleep and being totally worn out the next day so beware ;)The second book in the black swan series picks the storyline up, where it ends in the first book. The focus is still on the main characters that have been introduced in a familiar stranger but there are additions to the second installment (like Litha, Deliverance, Heaven). The sequel is just as good, as the first book! We learn a bit more about the different world(s) and creatures

that inhabit it, and about the orders structure. Storms plotline is of course the most prominent in the story and could be titled how to mend a broken heart. It took him most of the book to overcome the hurt of Eloras refusal to marry him and to choose Ram instead. I liked that he didnt try to hurt Ram or Elora for hurting his feelings, although I would have liked to shake him, because of his behavior towards Litha, especially in the beginning of the book. The wedding of Elora and Ram was great. I adore Aelsong Rams sister, and Im so glad that she joined the order. Hopefully we will see more of her in the next books. And what is better than one wedding of beloved characters in a book? Yes three weddings! ;) Beside the story, there was a sneak peak for the third book and an interview between the author and Ram which was sooo hilarious! You definitely have to read it :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Witch's Dream Von Merissa Sheppard My word this is a dream of a book! It continues straight after My Familiar Stranger and takes you straight back into the lives of B Company. The whole book is a joy to read and I am so glad that Elora now has company in the "women with spirit" category. Litha and Song look like they are going to keep the baton going :o) If you are expecting a vampire romance, you can forget it. They don't even really get a mention in this book, apart from ex-vampire Baka (who's story I can't wait to read!) but what you do get is demons, a look at Kay's berserker side and magic of the practical kind. I love the way these books are written and often find myself laughing out loud as I read. The characters continue to grow and as an added little extra you get an interview with Ram at the end of this book. 5 out of 5, 10 out of 10 - whichever way you want to look at it, these books are fantastic.

Kurzbeschreibung An elf tale wedding like no other. A demon with a grudge. A broken hearted knight gets another chance at love. New York Times and USA Today Bestselling author, Victoria Danann, writes a love letter to paranormal romance that begins with an elf tale wedding and ends with a happily ever after full of sighs. "...dramatically fun, sexy, and addictive." - Between the Bind Sir Storm's heart was broken. Now the sexy vampire hunter wants nothing to do with love, or even women for that matter. But a beautiful witch who works for Black Swan as a tracker has other ideas about that. When B Team arrives in Edinburgh, the afterglow of a romantic elf tale wedding ends abruptly when Sir Kay's fianc, Katrina, is kidnapped by a demon with a grudge. While Litha is assigned to search for the missing girl with Storm as her escort, other members of B Team are tasked with bringing in a stray werewolf who's been causing havoc in London. You can't miss the heartwarming follow up to My Familiar Stranger. Start reading TODAY and find out for yourself why The Witch's Dream has been called exciting, entertaining, delicious and awesome!
