Von Ingrid Stephanie Jordan Title : *The Witch The Wolf and The Vampire* Author : AK Michaels Reviewed by : Stephanie Jordan Well I have to say this is a change for me. Yes, I know there's books with three some or four but it's usually a human, with the same animal shifters. I am sure there are books out there but it's a first for me to see a Witch, Wolf, Vampire get together. BUT Ms. Michaels wrote it with such style, I couldn't put it down and kept cheering them on. Josef, is an ancient old, dangerous, strikingly handsome Vampire who not only owns the Casino but lived in the penthouse with a separate entrance in Las Vegas. Being a Billionaire gave him all the luxuries he wanted. Over a 100 years ago Josef rescued a Wolf, Gabriel, aka Gabe who is a friendly, hugging, loving boy next door kind of a guy. These two were inseparable they lived and shared everything together, especially women. Peri, is a very powerful Witch who has been on the run for 6 years now. She was to be a sacrifice, by a crazy man, who tortured and cut Peri everyday, her own father. Peri escaped and went on the run. She made a friend Daiki who taught her martial arts so while she was on the streets Peri could protect herself without using magic. Her father could trace her by her magic. This is a must read series.. I'm onto Book 2.

Kurzbeschreibung A witch on the run, hunted by her father and pursued by two men who desperately want to make her theirs. You know what they say what happens in Vegas, stays in Vegas. Peri is haunted by memories of her father's dark, magical cult, who tortured and imprisoned her throughout her childhood. Even six years after her escape, Peri is still a wanted woman, and is only able to stay alive by tracking criminals as a bounty hunter, constantly on the move and always alone. Her travels lead her to Las Vegas, where a job turns bad. Wounded, she collapses at the feet of a stunning, ancient vampire named Josef, and gorgeous wolf shifter Gabe. Josef and Gabe tend to Peri's injuries, both of them falling in love with her. Claimed by both the vampire and the werewolf, Peri is caught in the middle. As the romance unravels, Peri discovers her magic is far more powerful than she realized. Yet her father is searching for her, and Peri doesn't know if she's strong enough to stop him from taking her back. Trapped in a complex love triangle, who will Peri choose? Josef? Gabe? Or perhaps both? A thrilling urban fantasy full of adventure and suspense, *The Witch, The Wolf and the Vampire* is an erotic paranormal romance with a throuple taking center stage. This magical dark fantasy will have readers swooning for the next book in A.K. Michaels' supernatural science fiction series. I just wish I could give this more than the 5 stars. She makes you see, smell and almost taste what is happening. I find this talent very interesting when a writer is able to do so!!! I can not wait to read the next book!! I just want one of each man for my very own! Cynthia Stevens, Kindle Library
