A Magical Place!Von Anna SalamatinWes Henderson is a 32 years old and he is the kind of man who doesn't believe in anything he can't see with his own eyes and he definitely doesn't believe in anything Psychic. He watched his

Grandmother get swindled by a Psychic and that's enough for him to know it's just a racket. When he meets Haley however, there is an immediate attraction, but he is not looking for anything like that. He still carries a lot of guilt from the night he drunkenly cheated on his girlfriend and she drove her car into the lake killing herself. Wes gave up drinking since then and when he sees some of Haley's witch paraphernalia he tells himself that it can't work between them. Meanwhile Haley is dream walking and sees Wes and herself kissing and they start to make love. She too is feeling the attraction but tries to ignore it, but when she dreams about Wes getting killed she feels like she needs to do something. Can she make a believer of Wes? And will it be in time to save him? Can they continue to fight the attraction that is building between them or will past hurts keep them apart. She calls on the help of her coven and together they try to change the outcome of what is coming for Wes. All I can say is that you have to read this, and decide for yourself.....Do you believe? I know I do.

Haley Parish is a 26 year old witch who is also a dream walker. She lives in and belongs to the coven of Freedom Moon. She has had more than her share of heartbreak and personal loss. Her high school boyfriend was killed in Afghanistan and more recently a man she was seeing turned out to be married only made worse by the miscarriage of their baby. Now all Haley wants is to concentrate on her art and have the work finished on her home due to a fire. She is not looking for a relationship with another man anytime soon. Unfortunately, the contractor who is doing the work finds out about a bigger, better paying job and quits the work on Haley's house but tells her he has another contractor coming to finish the job. His name is Wes, and he is very good.
