self and I was absolutely enthralled as I read about this large powerful family made up of a demi-god and witches with great powers, Two amazing children, a boy 12 yrs older than his sister and the life they had for centuries until a new baby girl is born.....and all hell breaks loose!And so it begins.....Will is left to raise his niece Rose with the help of cousins Emma Molly and Molly's Mother, his Aunt Sadie. There is also a pack of cats and hounds (familiars) which they can communicate with. So , Will moves everyone to London Town where he just bought a home. The first of many properties purchased over the years as his fortunes grew. He never settled down, but spent these passing years bent on revenge against those responsible for the loss of his mother sister the night Rose was born. Now Rose is grown and she too give birth to a baby girl. Her name is Dylan. And as Will chanted his blessing over the baby, stardust fell from the ceiling, a whirlwind came and in it a dragon! Though no larger than a crow he will watch over Dylan all her life to make sure the darkness never overtakes her. The dragon tells them that Dylan is the one foretold who will bring all creatures together. I just love Tan, the little dragon, he has such fierce loyalty throughout this story and I couldn't help but laugh at some of his antics...So Dylan, is not a normal witch, she is immortal. She has a special mark (like her mother did).....By the time she is 90, she still looks like 20 yrs old! Right? How cool is that? But it's not all sunshine roses, something very dark, very evil is brewing somewhere and it has it's sights set on Dylan and the unequaled power she will come into at her "time". Dylans has been getting notes from a certain fellow.....And Uncle Will and her Mother is missing!Justice is a warrior. He is also a Vampire.....One night he has a vision, a message from the Goddess.While looking at the moon he saw Dylan and he knew their destinies were entwined. Aunt Molly tells him he is the one to protect Dylan. As the story continues and they get to know each other,(much to the dragons chargin I might add) Turns out they are mates!.....A vampire a witch? this has never been before! and there is still the dark one closing in and hell bent on getting Dylan first. He casts a spell and it brings her to him.....Has the Goddess forsaken them?This is but a taste of all that happens, I don't want to give too much away! This is not your typical good vs bad . And it sure ain't no fairy tale. This is Vampire, Royalty, Witches, Hell Hounds, Magic, Dark Evil and we can't forget the Dragon! This is a journey to a world where anything can happen and I for one jsut loved the trip!I was given this book in return for a honest review.

KurzbeschreibungDylan Pendragon is not what she appears to be. She looks like a twenty something, hippy, new-age follower When in fact she is a ninety year old witchling from one of the oldest families connected with witch craft. She has yet to get any powers so to speak. But she is destined to be the most powerful witch of them all And she is a virgin.Justice is a seven thousand years old Vampire. He is the oldest friend to his former king of their kind, Cormac O Heachthanna. There are three things that vampires love. Blood, fighting and sex and not necessarily in that order. Justice lost his wife about six thousand years ago so he has devoted his life to keeping man kind safe and he has had no sex in that many years.The Dark One has one thing on his mind. Capture Dylan Pendragon and take what he thinks is his her virginity and her power which will blossom like a rose once she is taken. He will do anything to get her and that power or die trying.In the course of one night under a full moon two become connected and set into motion events that cant be stopped that will ultimately bring victory for some or one and the rest will be cast into a void less underworld.Can Justice show Dylan he wants to protect her without touching her? Will he listen to his heart where love that has been dormant for so long is waiting to be released.Will Dylan allow Justice to protect her so she can figure out how to get her powers and be strong enough to fight the Dark One? Or will she fall and be the sacrifice that the Dark One intends her to be.KurzbeschreibungDylan Pendragon is not what she appears to be.
